MESSAGE FROM THE MANAGEMENT

Happy New Year!

We are delighted to introduce our very first e-newsletter created especially for Micasa All Suite Hotel and GTower Hotel Kuala Lumpur. The e-newsletter is created to keep you abreast with all that's being planned for you. As General Manager for both hotels, I aspire to work with the team to go the extra mile in ensuring that your expectations are met. With our culture etched in our taglines; rest assured that we are on a mission to achieve our goals.

GTower Hotel KL, an art series hotel.

The tagline paints an artistic story. From the lobby, to passage ways, the unique selection of furniture and fixtures, right to the bold colours of our staff uniform – says it all. 'an art series hotel' not only intends to stand out from the ordinary, but we intend to make a difference in the industry.

Micasa All Suite Hotel, botanics & spice.

It is all about the intriguing effects of nature. Surrounded by a lush green botanical splendour, equipped with the best that nature has to offer; right in the heart of the city. Our extra spacious rooms – homegrown fresh herbs used in all our dishes, plucked from our very own spice garden – our salt water pool. Overall, the spice of life begins, right here.

We invite you to experience the difference.
Visit us soon.

Sincerely,

IVY NG
Group General Manager
