

# SUSTAINABILITY COMMITMENT

## ACTIONS WE ARE TAKING

### EarthCheck

Amora Hotel Jamison has partnered with EarthCheck, a science-backed sustainability accreditation program that conducts annual assessments and certification across energy, water, waste, carbon and community. Between certifications our team runs in-house sustainability activations to keep our commitment alive every day.

### Energy

We track electricity and gas consumption and run in-house campaigns to reduce energy waste across the hotel.

### Water

We monitor water use and invite guests to reuse linen and towels under our 'Going Green Today' program. Water-wise practices are part of our everyday team culture.

### Local Sourcing

Most of our food is sourced from local producers and responsibly sourced seafood to keep food miles low and keep quality high.

### Waste

Food waste measured daily. Recyclables separated and processed. Regular waste reduction activations are run with our team.

### Carbon

Targeting 40% carbon reduction by 2030 and net-zero emissions by 2050, aligned to the Paris Agreement and City of Sydney's 2035 net zero goal.

### Go Green Program

When you choose to hang the 'Going Green Today' hanger on your door in the morning, our housekeeping team will refrain from servicing your room for the day. They will however empty the rubbish bins in your room for you.

### Sustainable Development Goals

As a hospitality business we focus on the UN goals: #11 (Sustainable Cities) · #12 (Responsible Consumption) · #13 (Climate Action) · #14 (Life Below Water) · #15 Life on Land. We also participate in the City of Sydney Sustainable Destination Partnership (SDP).

## SUPPORTING EQUALITY, DIVERSITY & INCLUSION

### International Women's Day

We champion gender equality in our team and industry.

### International Day of People with Disability

We promote awareness, understanding and acceptance of people living with disabilities and foster inclusivity.

### LGBTQIA+ Pride Events

Amora Hotels & Resorts is an inclusive and welcoming space for all guests and staff.

### Harmony Day

We celebrate cultural diversity on Harmony Day and throughout the year.
