

PERANAKAN

Our menu is carefully crafted for guests to experience the traditional Peranakan style of dining, where a selection of delectable dishes is eaten in Asian-family style with steamed jasmine rice.

Although the menu is divided into Small Plates (Laok Piring Kecil), Soups (Laok Mangkok) and Sharing Plates (Laok Piring), a typical Peranakan meal is eaten with all the dishes served together, with the exception of the dessert, which will be served after the main meal.

We would encourage guests to sample dishes from each category to fully experience the richness of flavours of the Peranakan cuisine.

We wish you "Selamat Makan". Enjoy your meal.
