

MIAMI LAKES HOTEL ON MAIN

Same Great Service under the “New Normal”

Our COVID-19 cleaning and disinfecting policy is our top priority to keep our staff and guests safe. Thinking about your safety, at Miami Lakes Hotel on Main, we are using hospital grade products for cleaning and disinfecting high-touch surfaces in our guest rooms, public areas, restaurants, athletic club, and administrative offices. We have conducted additional training for our housekeeping staff with a special focus on disinfecting and sanitizing high-touch areas within our guest rooms and common areas.

Lobby and Public Spaces

- EPA registered products are being used to disinfect public area surfaces.
- Hand sanitizing stations are located in all public areas of the hotel.
- Plexiglass barriers have been installed at the front desk.
- All guest key cards are disinfected after each use.

- Our staff has been trained on social distancing, hand hygiene, and respiratory etiquette.
- Social Distancing is encouraged.

Guest Rooms

- Guest rooms are being disinfected using EPA registered products.
- Guests are required to be out of the room while housekeeping service is rendered.
- Hand sanitizing gel packets will be provided in each guest room.
- All paper goods and decorative pillows have been removed from each guest room.
- Special focus on disinfecting high-touch areas including:
 - All door handles, safety latch, and peephole
 - Desk, table, chairs and lamps
 - Light switches and thermostats
 - Drapery pull handles
 - Laminated menus
 - Telephones and alarm clocks
 - Television and remote control
 - Trash receptacles
 - Closet iron handles, hangers, and luggage rack
 - Guest room safe
 - Faucet and toilet handles

We look forward to hosting
you at the
Miami Lakes Hotel on Main
when your travels bring you
to Miami.
