MEET  
COMFORT

Charming and nostalgic, the 67 rooms of the Hassayampa Inn harken back to a bygone era. Windows and balconies open onto the quiet streets below, allowing fresh breezes to rustle the lace curtains and conjure a serene place to relax amid antique furnishings and artisan details. Whether you're staying for a night or a week, the Hassayampa Inn evokes sentiments of home.

# MEET CONVENIENCE

Conferences, meetings, and weddings are among our specialties. Consider the spacious Marina Ballroom with impressive Art Deco architecture, the Rooftop Terrace, or the stately Arizona Ballroom, with its stained-glass windows and chandeliers, for your next gathering or function. The patio Courtyard adjoining the Gazebo is perfect for outdoor receptions, while several conference rooms provide everything needed to host a successful meeting, including professional audiovisual support.

**I**t was the pride of Yavapai County when it opened in 1927, financed by hundreds of residents who helped realize the dream of a first-class hotel near the Courthouse Square. A downtown Prescott landmark for more than eight decades, the hotel is widely known as a retreat for visitors to escape their busy lives and soak up the friendly ambiance of “Everybody’s Hometown.”

Lovely, inspired settings make the Hassayampa Inn the top choice for your meeting, events, and special occasions. From the moment they step into the historic lobby with its wood-beamed ceiling and grand talavera tile fireplace, your guests will enjoy Old World hospitality with friendly modern service.

Chef Jason Perkins creates gourmet specialties crafted specifically for your event.
