Bay Gardens Beach Resort and Spa Unveils Stunning Lobby Transformations

Bay Gardens Beach Resort and Spa has unveiled a beautifully refreshed lobby, elevating the guest experience from the moment of arrival. The redesigned space blends modern Caribbean elegance with warm, welcoming touches, creating an inviting atmosphere that reflects the resort's coastal charm.

Thoughtfully curated furnishings, enhanced lighting, and refined design details come together to offer guests a more comfortable and stylish environment for relaxing, socializing, or planning their island adventures. This transformation underscores Bay Gardens Resorts' ongoing commitment to continuous improvement and exceptional guest experiences.

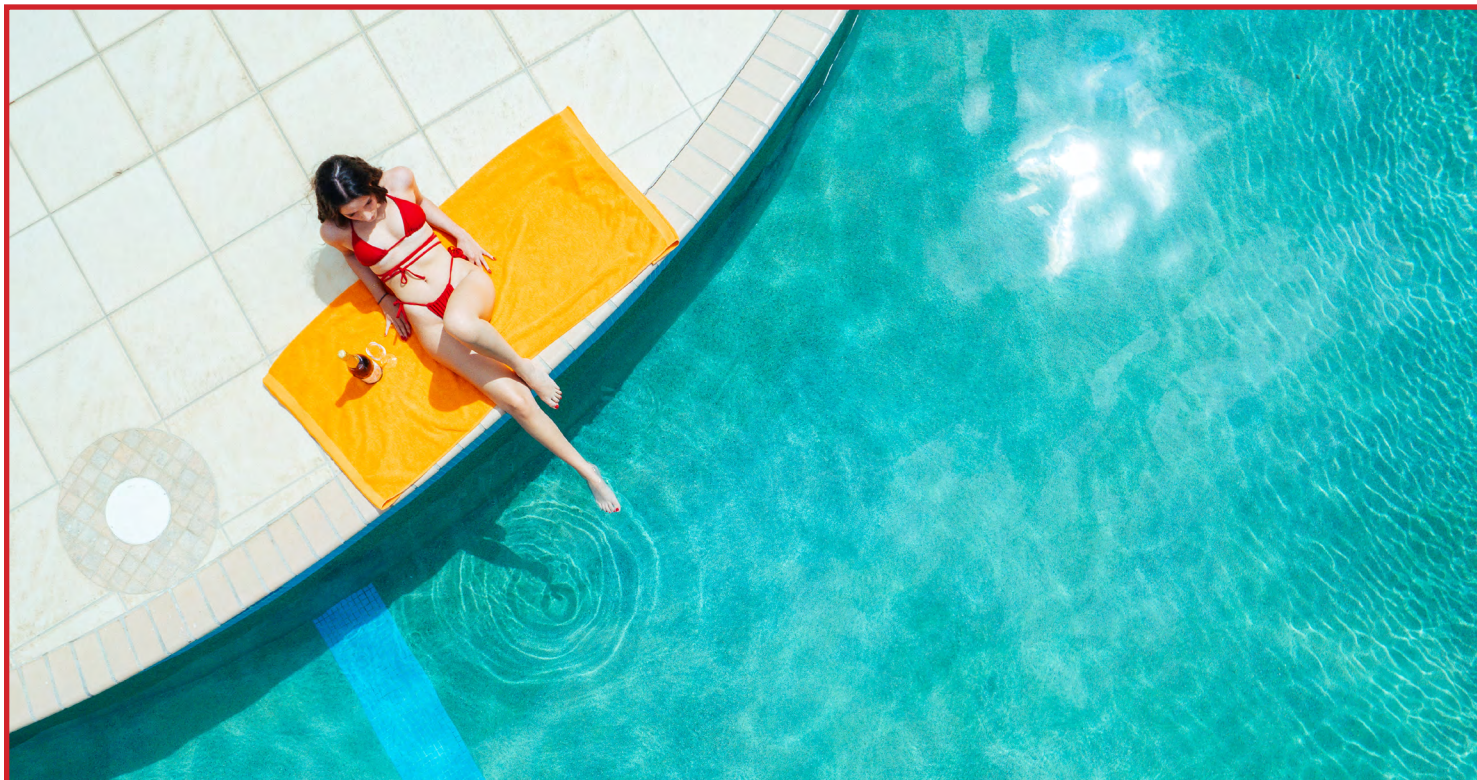

Bay Gardens Resorts Hosts Magical Christmas Party for Staff Children

The spirit of Christmas was alive and well at Bay Gardens Resorts on December 14 as the company hosted its annual Kids Christmas Party for the children of staff members. The festive celebration welcomed 112 children between the ages of one and fifteen, creating a joyful atmosphere filled with laughter, excitement, and holiday cheer.

Children enjoyed a wide variety of treats throughout the day, including unlimited popcorn, cotton candy, and refreshing snow cones, along with a tasty selection of finger foods to keep their energy high. One of the most anticipated moments was the gift distribution, where every child received a special present, adding extra excitement and smiles all around.

The event also featured multiple activity stations designed to entertain children of all ages. A craft station allowed young guests to create their own holiday-themed keepsakes, while interactive games offered fun challenges and prizes that kept the celebration lively and engaging.

The annual Kids Christmas Party reflects Bay Gardens Resorts' continued commitment to its team members and their families. By creating meaningful holiday experiences for employees' children, the resort reinforces its family-oriented culture and appreciation for the dedication of its staff. The event was a heartwarming reminder of the joy of the season and a truly magical day for all who attended.

Tour Feature – Champagne Sunset Cruise

There's no better Saint Lucia send-off to the day than a slow glide out of Rodney Bay Marina on a spacious catamaran; with the music up, breeze soft, glasses clinking. The Champagne Sunset Cruise runs about two hours along the island's west coast, with complimentary drinks (yes, champagne!) and light bites so you can kick back and watch the sky do its golden-to-coral thing. Think rum punch, soft drinks, and easy island tunes as the shoreline slips by.

Highlights? Sailing past Pigeon Island as the sun drops, the chance (if you're lucky) to spot dolphins on the run home, and that famous "green flash" as the last sliver of sun kisses the horizon. Couples treat it as a date night; groups turn it into a mini fête - the vibe is friendly either way. Our team regularly organizes this exact cruise for guests, so it's a seamless add-on to your Bay Gardens stay. Booking is simple through Bay Gardens Tours & Attractions - just ask at the desk or reserve online from our tours list. We'll confirm your sailing day and details, and you handle the fun part: sunset, a chilled flute in hand, and Saint Lucia showing off! [Book Here](#).

BAY GARDENS BEACH RESORT

“Great location, friendly staff, delicious food, comfy beds”

Reviewed by CWickH (December 2025)

Very nice hotel, beautiful landscaping, right on the beach. There is also a pool. Live music each night with singers/dancers. There are laundry facilities in each building for regular rooms. Flexible options to add breakfast, breakfast, and dinner, or all three meals. The suites have full kitchens with a coffeemaker, microwave, refrigerator, and washer-dryer. One caveat to be aware of right now is that, as of November 2025, there was a construction project at the end of the resort and some small renovation works, but it was quiet and did not bother me at all.
