

Environmental, Social & Sustainability Policy

Eagle Aruba Resort a Transient and Time share Resort consisting of 362 rooms, 3 swimming pools, 1 kids pool, 2 Jacuzzis, 2 Restaurants, 2 Bars, rental shops, Spa & Gym, is committed to promoting environmental stewardship and social responsibility in all aspects of our operations. This policy outlines our commitment to sustainable practices that minimize our environmental footprint and enhance the well-being of our team members, guests and community and surrounding waters of Aruba.

We plan to achieve our goals and objectives as follows:

Eagle Aruba Resort cares about actively conserving natural resources and energy use in the resort, maintaining guest satisfaction, safety and operating standards.

Implement energy-efficient practices and technologies to reduce energy consumption across our operations, promote water conservation through efficient use and reduction of waste.

Reduce, reuse, and recycle materials to minimize waste. Encourage sustainable sourcing and use of eco-friendly materials.

Purchase products with sustainability and Fair Trade in mind, considering their environmental impact from production to end-of-life disposal.

Support local social instances and programs, which benefit the environment and communities of Aruba.

Eagle Aruba Resort is committed to complying with Aruban legal regulations in order to operate the resort in accordance with the law.

The management team of Eagle Aruba Resort is participating actively with the environmental activities, in house training and making sure out-reach-program is being practiced on a daily basis.

Commit to prioritizing local labor and local businesses and being able to contribute to the national economy.

Committing year to year improvement in our environmental & social programs.

Certified environmental Auditors to inspect & assess the resorts environmental & social programs, annually.

Review this policy every year to ensure it is current and relevant to our current operations.
