

It's Christmas Time

Our Christmas special for your celebration

When the snow quietly falls to the ground, the fire crackles in front of the Schlosshotel and the wonderful scent of punch reminds us once again of the beautiful Advent season, then it is time to say THANK YOU. Invite your friends, customers or colleagues to bring this business year to a proper end and enjoy the special setting of the Schlosshotel for your very own individual Christmas party.

- Warm up with **Carinthian mulled cider, mulled wine and Christmas punch** at our Advent hut, roast your stick bread or marshmallows by the crackling fire and enjoy the unique view over the sparkling lake.
- Let Christmas anecdotes accompany you to the festively decorated Salons - Restaurant & Atelier, where the historical ambience meets the modern art of changing exhibitions and a dreamy view over Lake Wörthersee awaits you.
- Enjoy a fine 3-course menu or a very special cheese, meat or vegetarian -fondue of your choice, which will make gourmets' hearts beat faster.
- We will gladly organise Santa Clause or the Christ Child for you who will hand over the gifts to your guests.
- At the end, if you wish, we will be happy to take a farewell photo as a souvenir of an unforgettable evening.
