# HOTEL GRINNELL

## Did you know?

Hotel Grinnell is more than just a place to stay; it embraces and celebrates the contrast and contradictions of old and new. Erected in 1921, the building served as the city's junior high school until the late 70's.

Now, nearly 40 years later, it has been re-purposed into an independently owned hotel, eatery, bar, and event center. When you stay at Hotel Grinnell, you'll sleep in an old classroom. The former locker rooms have been transformed into a bar, and the old scoreboard now decorates the lounge. The old gymnasium has a new life as a modern ballroom, and the auditorium is now a lively venue for performances, conferences, and weddings.

Hotel Grinnell believes there's something special about soaking in the history of this old building, and we have taken care to add thoughtful touches of the original school throughout. Come find out how Hotel Grinnell merges old-school tradition with new-school attitude.
