WHY WOULD YOU WANT TO WORK HERE?

Kingston's real working-abroad strength is in its vibrant culture – and, these days, coworking space culture abounds -- where free Wi-Fi is easy to find. You can easily work from your room, work poolside or in the gardens, be a lobby lizard and work from our 24 Seven Café or maybe you'll want to join a coworking space or head to your favorite cafe. Kingston is effectively on Eastern Time, making it an ideal choice if you're corresponding in real time with co-workers back in the states. Internet speed is good. Kingston also boasts a cost of living where the dollar goes far.

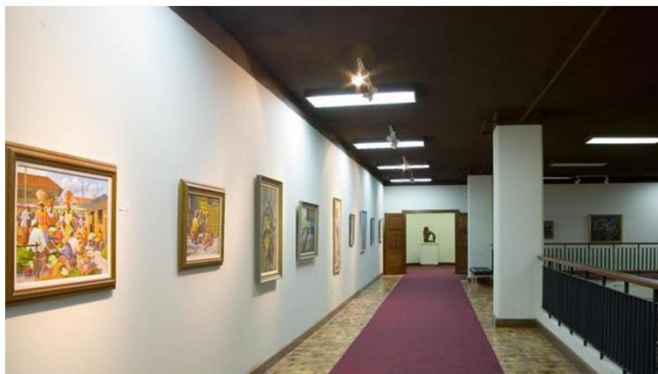

The Jamaica Pegasus is the hub of all Kingston hotels and offers great networking opportunities. It's 24 Seven Café is a fantastic space to work, have ad hoc meetings and take in the social scene. The hotel has a jogging trail and lush gardens for outdoor relaxation. The hotel is also a hub for meeting, conferences and events while still being able to offer an at home atmosphere.

WHY WOULD YOU WANT TO LIVE HERE?

Kingston is known as the cultural capital of the Caribbean, that pulsates with a vibrant art and music scene. Kingston also has a myriad of restaurants serving a wide range of cuisine. Beach access is nearby and if your into nature and hiking the majestic UNESCO designated Blue Mountain peaks is just a short drive away. Kingston is also the Home of the late great Bob Marley and the fastest man in the world – Usain Bolt ; so inspiration is literally around every corner. Into Reggae, Dancehall, Ska or EDM ? Then living in this city will definitely be to your liking. If you are an avid golfer, you have two great courses located nearby.

The Jamaica Pegasus is located in the heart of New Kingston. A vibrant and upscale part of the city with great access to restaurants, bars, cafes, the art and music scene as well as the popular and scenic Emancipation Park. Every guest room has great views of either the Kingston Harbour or the lush mountains.

The hotel is within walking distance of many offices and embassies; noteworthy cultural attractions and points of interest including the National Stadium are easily within reach. Great shopping, dining in, nightlife is nearby, and the airports is less than half an hour away. "Living in a hotel is just like having your own one-bedroom apartment without the tedious stuff, like paying utilities, cleaning your room or making your bed."

HEALTH & SAFETY PROTOCOLS

During your stay our mission to provide the highest level of hospitality and care for guests has always been important to us. In light of the Covid-19 threat, we have intensified our efforts to provide a safe and clean environment for our guests and colleagues. We continue to uphold the highest standards of cleanliness, making sure you feel comfortable. The hotel has been inspected and received the Covid-19 readiness certificate from the Tourism Product Development Company. Please see link to complete protocols for hotel accommodations: <https://bit.ly/2PdOFFL>

We continue to monitor the COVID-19 and implement strategies that will safeguard our team members and guests.

COVID-19 RESPONSE TEAM

The Hotel Group has a Covid-19 Response team that was activated in February to monitor and address on-going changes to operational and other procedures following industry best practices.

SANITATION TRAINING

Our team members have received COVID-19 safety and sanitation protocols training from the Ministry of Health and Wellness including general sanitation guidelines as well as proper use of personal protective equipment.

Sanitation Enhancements:

Please see some of the enhanced measures we have already implemented:

General:

- Frequency of cleaning and disinfecting of all public spaces has been increased with special attention paid to “high-touch” areas; e.g. door handles, elevator buttons, railings, public bathrooms, lobby furniture, stairwells, etc.
- Temperature checks are being administered to all guests upon check-in and all team members on arriving to work. Guests and team members may also be subject to additional temperature checks performed at random.
- Touch-free greeting and welcoming protocol adopted for all team members when interacting with guests.
- New signs have been posted reminding guests and team members of proper hand washing methods and social distancing guidelines.
- Hand Sanitizing stations have been installed in all public areas e.g. elevators, lobby, gift shops, business center etc.
- Trash bins have been placed outside each public bathroom for guests and team members to properly dispose of tissue paper used to open/close doors.

HEALTH & SAFETY PROTOCOLS

FOOD & BEVERAGE

- Hand sanitizing stations have been installed at all cafes, restaurants, and bars.
- Spaced out seating for social distancing in restaurants and bars.
- Self-serve buffet meal service has been discontinued.
- Reusable cups and mugs are no longer accepted.
- Servers will wear disposable gloves to collect trays, discarding the gloves immediately after the tray and all its contents have been delivered to the dishwashing area
- Food trays will be set outside room entrance for room service delivery and guest notified.

FRONT DESK SERVICES

- Key card drop off bowls have been installed to limit contact and facilitate check-out.
- All pens are sanitized after each use. Guests are further encouraged to use personal pens whenever possible.

GUEST ROOMS:

- Guest rooms will be decluttered to reduce constant re-touch of items such as magazines, room service menus, travel guides, note pads. These will be made available on request. In-room TV channels will be utilized to provide additional guest information.
- All room cleaning equipment used by Housekeepers will be cleaned and sanitized (mops, mop buckets, dust bins, cart) with sanitized the recommended cleaning chemical and sanitizing agent.
- All high touch areas in room will receive more detailed cleaning regime.
- Housekeeping team will be equipped with PPE– disposable gloves, mask, disposable protective apron and educated in proper use and care.

HOTEL TEAM MEMBERS:

- Infrared Temperature checks are now provided to all staff upon reporting for work.
- All staff have been provided with face masks that must be worn at all times while on-property.
- Additional PPE's will be provided based on work tasks to include gloves, gowns, face shields and other protective gear.

HEALTH CARE:

- Our hotels have a nurse on duty if you require any immediate medical attention.
- Our nurses have also been trained in quarantine and isolation protocols.
- The hotel also has arrangements for a Doctor on Call (at a cost) for more serious conditions.
