# SETTLING IN

---

We understand that as students coming from overseas to reside and study in a new country, you may experience a certain amount of 'culture shock'.

The people, the weather, the food, the buildings etc. will be new and may seem different in the beginning. It may take you a little time to get used to your new surroundings and a feeling of homesickness and/or loneliness is not unusual.

Many new students, including Australian students, are living away from their family and friends for the first time so we encourage you to become involved in resident activities and events, so that you will make new friends and begin to feel more 'at home'.

There are many different nationalities represented at Student Living. If you are having difficulty settling in or with the language, or if there is anything you are unsure of, our friendly staff are here to help you. For after-hours assistance, we have Management and Security on site who can help you with security problems, issues relating to your room/apartment and any general questions or queries you may have.

Please come and see us even if it's only for a chat! Student Living wants your stay to be an enjoyable and memorable experience. We want you to achieve your goals, but to also gain independence, confidence, useful abilities and resourcefulness.

Our staff will not only assist with questions and queries you may have regarding the complex, but they also have a wide range of knowledge concerning the local area, medical assistance, travel, general information etc. They are always there to help you.

**Please note that it is your responsibility to read the Resident Handbook and understand the rules of occupancy. Ignorance is not an excuse!**

**We hope that you enjoy your stay here at Student Living on Cobden! If you have any questions after reading this handbook, please do not hesitate to contact your property manager and we will assist you in any way that we can.**

#### No Refund

- Where a Resident breaks a Tenancy Agreement without cause, the Resident is not eligible for any refund of advanced rent until another resident is found.

## Partial Refund

- In the case where a Resident wishes to withdraw from their application, who after accepting the offer of accommodation and has paid a holding and / or security deposit and/or rent, must give at least **28 days written notice** prior to either the commencement date of their Tenancy Agreement or the Student Living Semester start date, whichever is the earliest.
- Where the appropriate notice is given, then a portion of the security deposit may be refunded **at the discretion of Student Living management**, dependent on the subsequent re-letting of the apartment to another party.

- Any costs related to damage, rubbish removal, or excessive cleaning costs will be deducted from the security deposit, as is the departure cleaning fee.

## Breaking the Tenancy

The Tenancy Agreement is a legally binding document, which if broken may continue to attract costs for the tenant. Where a Resident believes that they cannot stay in the unit or continue to pay the rent, they must notify Student Living management in writing as soon as possible.

There is no set amount of notice a Resident can give if they wish to break the Tenancy Agreement early for exceptional reasons. However, it is in the Resident's best interest to give as much notice as possible and, as a guide, two weeks' notice should be the minimum time.

When considering prematurely terminating your Tenancy Agreement, it is your responsibility to do one of the following:

- Continue to pay rent as per the agreement until the unit is re-let. We will refund any monies owed to you if and when the unit is re-let.

- Find another suitable person to take over your unit so there is a continuation of payments to the unit owner.
- In all cases the unit must still be returned to the same standard that it was in at the commencement of the lease.

**You have entered into a legally binding agreement and you are responsible for the payment of the tenancy fees under this agreement for the agreed term. Student Living reserves the right to seek recovery of these monies should you fail to meet your legal requirements. We have the resources to recover monies owed to us outside of Australia.**

### Assembly Location

If you are instructed to evacuate the building, make your way to the nearest **FIRE EXIT** and continue down the stairs to Ground Level. Please assemble on **CORNER OF COBDEN ST AND O'CONNELL ST** and await further instructions from the UniLodge staff. Before re-entering the building, please wait until instructed by the fire department that it is safe to re-enter the building.

### Fire Sprinklers and Detectors

Never cover or attempt to remove the smoke detector in your room as these are connected to the main fire alarm system and these actions may cause a system fault and/or a false alarm. In the event of a false alarm that is caused by interference with a smoke detector, the Metropolitan Fire Brigade (MFB) has it within its powers to levy fines and commence prosecutions (current fines can exceed \$2000). You may also be responsible for the cost of repairs to the system that this damage may cause.

In the event of excessive cooking fumes in your unit that cause your alarm to activate, please do not attempt to clear the smoke into the building common areas as this will automatically call the Fire Brigade who have it within their powers to levy fines for "Unwanted Alarms (currently in excess of \$2000)". Please open your windows and balcony doors (if applicable) and fan the fumes away from your detector which will cease its alarm once clear. **DO NOT OPEN YOUR MAIN DOOR.**

**\*\*False Alarm Callouts by MFB currently exceed \$2000.**

**DO NOT TOUCH THE SMOKE DETECTORS AND SPRINKLERS**

**DO NOT HANG COAT HANGERS THROUGH THE SPRINKLER DEVICE**

Touching the sprinkler head may result in it being activated causing hundreds of litres of water to gush into your unit, which will flood not only your unit but also those below. Severe damage costs will be imposed upon anyone who interferes with a fire sprinkler or a smoke detector!

## Upon Fire

- Assist any person in immediate danger only if safe.
- Close doors to stop oxygen fuelling the fire.
- Call the Fire Brigade (000).
- Evacuate to assembly area using the stairs (do not use the lifts), assist anyone who may be unable to assist themselves.
- There is an evacuation plan on the back of each door.

## OPERATING AND CARING FOR YOUR UNIT

---

### Maintenance

Please follow the procedure below upon discovery of an item requiring attention.

1. Identify the problem and be prepared to give the associated details.
2. Contact your property manager for maintenance.

### Departure Cleaning

Your unit has been professionally cleaned and fitted with new mattress protectors prior to your arrival and as a condition of your lease you must leave your premises in the same

condition as when you entered them. To take some of the stress out of your exit process, Student Living has been able to negotiate volume rates with a bond cleaning company that delivers a service that we believe is of a very high standard which meets our expectations. You are more than welcome to undertake the works yourself or engage a cleaner of your choice and should you wish to do so, please contact one of the team to obtain a checklist of items that need to be addressed. Our team will then inspect your unit after you have cleaned it to ensure it meets the expectations of the owner prior to releasing any bonds.

## Candles

Residents are not permitted to light candles, oil burners, burn incense, paper or any other material in the premises or in their apartments.

## Carpet

At the end of the agreement the carpets will be cleaned at the residents' expense as well as any necessary cleaning and repairs.

## Cleaning

It is each resident's responsibility to ensure their apartment is kept clean. If you are unable to keep the apartment in a satisfactory condition you can obtain a list of cleaning companies from Reception.

## Doors

For safety reasons residents are not permitted to attach locks, snibs or any other devices to the apartment doors or door frames. Do not hang hooks over the top of the front door as these hooks can break the fire seals. Also do not hang hooks over the top of the bathroom door as this can jam the door closed and you may become locked in. This can also cause damage to the doors which you will be responsible to pay the cost of repair.

## Furniture and Fittings

The furniture, fittings and all facilities at Student Living on Cobden must be treated with care and not vandalised. You are responsible for the condition of your apartment and its contents.

You are not permitted to remove equipment or furniture from the premises without the written consent of Student Living Management. You are not permitted to bring beds into the apartment.

## Glass and Aluminium

Please note the following suggested points for the care and maintenance of the glass in your apartment.

### **What Not To Do!**

- Do not store or place items in contact with the glass (this can damage the glass or create a heat trap leading to thermal breakage).
- Never use abrasive cleaners on glass. Scouring pads or other harsh materials must not be used to clean windows or other glass products. Powder based cleaners are to be avoided.
- Avoid causing extreme temperature changes as this may lead to thermal fracture of the glass (i.e. Do not splash hot water on cold glass, or freezing water on hot glass). Some tapes or adhesives can stain or damage glass surfaces. Avoid using such materials unless they are known to be easily removed.

## Joinery Items

### **Cleaning**

A wipe over with a clean, soft damp cloth should be sufficient to keep all laminex surfaces clean. Soiled surfaces or light stains are best removed with warm soapy water or with a common detergent, such as Mr. Muscle, Nifty Solvent or bathroom cleaner. Wax or other polishes are unnecessary and should not be used.

### **Scratches and Cuts**

Chopping and cutting directly onto the surface can damage laminex surfaces. To prevent this happening, use a cutting or chopping board. Sliding of heavy objects can cause scuffing of the surface. Residents will be charged for replacement of the surface if severe cuts and scratches occur.

Residents are asked not to remove from their unit any item or equipment that has been provided by Student Living.

## Light Globes

Whilst Student Living aims to have all light globes operational on your arrival, please report immediately if any globes are not working. Remember that there are two globes per light fitting except in the bathroom.

If any globes stop working whilst you are residing in the apartments, you are responsible for the replacement fee. Our maintenance staff will replace them on certain days of the week.

## Kitchen

### **Convection Microwave Oven**

Your apartment is provided with a convection microwave oven located in the kitchen. The microwave is connected to a 240V single-phase electric power supply.

The microwave oven has the capability to microwave (defrost, reheat and cook by microwave power). To ensure best cooking results it is recommended that the oven is cleaned regularly.

Sometimes if power has been disconnected, the unit will revert back to DEMO mode. To enable it to heat up food, press the 'Clock' button three times.

## **Electricity Cook Top Stove**

For safety and convenience the cook tops have a 'flame failure' safety feature. If the flame is extinguished the electricity supply is automatically cut off to the burners. Due to the inclusion of this special feature there is a special lighting procedure required, which you will get used to quite easily.

## **Rangehood/Exhaust Fan**

The rangehood is located above the stove. Always turn on the Rangehood when cooking to help prevent the smoke detector from being activated.

To turn on the rangehood/exhaust fan:

- Slowly pull the front of the rangehood towards you, this must be done before it will work.
- Turn on the switch, there is one for the lights and one for the fan, which are either under the front or at the right hand side of the rangehood.

It is your responsibility to ensure the rangehood and its filters are clean at all times. Please clean the filters under running hot water every month. Oil filled rangehood filters can become a fire risk.

There are two lamps in the rangehood to provide adequate light whilst cooking. You are responsible for replacing the globes if they stop working. Simply fill in a light globe replacement and pay.

If it is still not working, please contact your property manager.

## **Refrigerator**

Your apartment is provided with an electric refrigerator connected to a 240 volt electric power supply. On arrival check that the fridge is plugged in and switched on, you may need to adjust the cooling setting within the refrigerator. To be effective the refrigerator should be constantly left on.

Regularly clean your fridge to keep it hygienically clean - this will help to keep your food fresh.

Ice build-up in the freezer compartment will stop the fridge from cooling. If your fridge is becoming warm please turn the whole unit off until the ice in the freezer melts.

Defrost fridge every 4-6 weeks recommended by pushing the grey button on the temperature control dial. This will keep the fridge operating (only to defrost small amounts of ice buildup). When a large amount of ice has buildup around the freezer and the fridge door does not close properly, turn off the power point behind the fridge. Place towels on floor to soak up melting ice water.

Do NOT chip at ice with any object, this will damage the fridge beyond repair and will require replacement costs.

Please note: Due to safety concerns, any damaged refrigerator or electrical appliance will be disposed of by Student Living.

## Matress Protectors

For health and safety reasons a mattress protector is provided for each bed and you will be charged for this at the end of your tenancy. If one is not provided please contact your property manager immediately.

## Mirrors

The manufacture's recommended cleaning method is as follows: Gently wipe with a damp, lint-free cloth.

## Smoke Detector

Your apartment has been installed with a smoke alarm. Generally, they are located on the ceiling in the living/bedroom areas. They are connected to your apartment electricity supply and are a life saving device. Building regulations in the state of Victoria require self-contained smoke detectors to be installed in all residential dwellings.

Please do not detach the smoke detector from the ceiling or render the smoke alarms inoperable, this includes:

- Covering it with tape or plastic to muffle the beep
- Removing it from the power source
- Removing the battery
- Interfering with it in any matter

If you turn off the power when you leave your apartment it will cause damage to the smoke detector. You will be responsible for all costs due to any tampering of the smoke detectors. If you attempt to tamper, cover or remove your smoke detector you may be fined in excess of \$900 by MFB.

Smoke detectors are serviced each year however, if the smoke detector emits a beep every few minutes it means that the battery is flat and needs to be replaced. Complete a Maintenance form to organise for the battery to be replaced.

## Stains – Removing Stains

DO NOT use any powders or abrasive liquid cleaners. A light application of METHYLATED SPIRITS or cleaning liquid that does not contain solvents can be used.

## Switchboard

The switchboard will be located on a wall in your apartment. Ensure all switches are in the up position so your power and lights work.

**You must never turn off the red switch** as this will stop the smoke alarm from working.

Other switches may be turned off when you leave for holidays, but please be aware this will also turn off your fridge.

## TVs

To use the TV please make sure the unit is on at the wall, at the switch on the right hand side and also underneath the screen. You can only access free to air channels.

If you cannot get channels please tune the TV. On the remote select MENU then on the screen select SETTINGS and TUNING. Please try this first before putting in a maintenance form.

## Smoke Alarm and Sprinkler

The smoke alarm in your room will activate if there is smoke in your room. Covering the alarm is a criminal offence. If there is cooking smoke in your room please open the windows until the smoke goes away. Do not open your door and put smoke into the hallway. Doing this will set off the hallway alarm and call the Fire Department. False alarms in the hallway are charged back to you and cost approximately \$3000. Do not hang anything from the sprinkler head in your ceiling.

## Beds

Our bed sizes are doubles and singles.

You must use a mattress protector on the bed, please ask your property manager if you have not been supplied with one.

## Tiled Surfaces

Do NOT clean the tiles with ACID or with any abrasive materials.

Do NOT place potted-plants directly onto tiled balconies – remove any residue immediately before staining occurs. Use specifically designed tile-cleaning detergents only.

# Walls

## Hanging Items on the Walls

Please be very careful of what you stick onto the walls. The walls could become damaged or paint removed if care is not taken and a charge will apply if this does occur. You can buy special hooks from Supermarkets or Hardware Stores, which are designed not to damage the walls once removed, however there is no guarantee damage will not occur. These are 3M Brand adhesive/ removable hooks. Please ensure you remove these hooks at the end of your tenancy. Any damage caused as a result of removing these hooks however will be your responsibility and repair will be at your cost. No sticky tape is to be used. No blue tack is to be used as it can stain.

# Windows / Balconies

Residents and visitors are prohibited from throwing any objects from any windows or balconies. This is extremely dangerous and puts others at risk.

Residents are not permitted to hang clothes from windows, balconies or areas visible to the public. Windows are not permitted to be covered by any covering other than the blinds provided.

# PAYMENTS

---

**Residents whose payments are in arrears will be issued with breach notices**

# Rent

Rent is to be paid as per the Tenancy agreement, and must always be in advance.

All rental payments are due by the 1st day of each month. If you have any difficulties paying your rent on time, we encourage you speak with a Student Living customer service staff member or Manager immediately.

There are a number of simple and easy ways to pay your rent at Student Living on Cobden using the DEFT system. You will require an Australian bank account to access the DEFT system.

If you wish to make payment via Credit Card or BPay:

- Complete your details at the top of the application and tick the credit card / BPay box. Return the DEFT form to reception and you will receive a reference number and

instructions on how to make payment. (A BPay payment is made through your internet or telephone banking from your Australian Bank Account). A surcharge applies for credit card payments

- If you wish to make payment via Direct Debit from your Australian Bank Account:
- All personal banking details on the form must be clearly completed and returned to reception. DEFT will not be able to recognise your payment if all details are not complete.
- The security code is a 6 digit number that you the resident will have to make up and remember. It is used for security purposes only when making your payment. Do not use the PIN number you use for making normal transactions on your bank account.
- This form will take approximately 5 to 7 working days to be fully processed or you can register yourself on the website [www.deft.com.au](http://www.deft.com.au) once you have received your DEFT reference number and instructions from reception.

**Payment of Rent must be received on or before the due date.**

### **What will happen if you don't pay your rent?**

Residents who are more than 14 days late paying their rent can be issued with a Notice to Vacate. Legal action may be taken to recover all funds outstanding.

Any resident who vacates Student Living on Cobden without paying their rent or other charges will be placed with a Debt Collection Agency and the National Tenancy Database.

## **Replacement of Swipe Card**

There will be a cost to the resident to replace their Security Swipe Card if they are lost. If a swipe card is missing for more than 24hours it is classed as lost and a replacement will be issued.

## **Sundry Charges**

Sundry charges are payable by residents and include additional cleaning and repairs. These charges are to be paid in full by the beginning of each month. The resident must make payments for outgoings within 3 days of the due date.

## **Unit Repairs**

Student Living employs contractors to repair any damages or problems that occur on the premises. The resident is liable for any damages or loss caused by negligence or misuse, and will be charged for labour and any associated costs.

# SECURITY

---

## Insurance and Security for your Unit

All residents are strongly advised to take out insurance cover on their personal belongings and items such as stereos, computers, CD players, bicycles, clothing etc. as they are **not covered** by Student Living insurance policies. Any large complex is vulnerable to petty theft, and Student Living is no exception. We suggest that you **keep your door locked at all times.**

## Intruders

Although we take all possible precautions, intruders may occasionally gain entry. If you see anyone behaving suspiciously, call reception immediately and watch the person or persons from a distance but do not put yourself at risk.

Be aware that people have been known to walk around a complex with a clipboard pretending they are on official business of some kind.

- **Student Living has 24 hour video surveillance.**
- **Do not show any person to a resident's unit, or tell them where they live - the resident concerned may not wish to see the visitor.**
- **Do not swipe your card for any other person.**
- **Tell the visitor to call reception.**

# EMERGENCY PROCEDURES

---

## Assembly Location

If you are instructed to evacuate the building, make your way to the nearest **FIRE EXIT** and continue down the stairs to Ground Level. Please assemble on the foot path area in front of

the building and await further instructions from the MFB. Before re-entering the building please wait until instructed by the fire department that it is safe to re-enter the building.

## Fire sprinklers and Detectors

Never cover or attempt to remove the smoke detector in your room as these are connected to the main fire alarm system and these actions may cause a system fault and/or a false alarm. In the event of a false alarm that is caused by interference with a smoke detector, the Metropolitan Fire Brigade (MFB) has it within its powers to levy fines and commence prosecutions (current fines exceed \$2000). You may also be responsible for the cost of repairs to the system that this damage may cause.

In the event of excessive cooking fumes in your unit that cause your alarm to activate, please do not attempt to clear the smoke into the building common areas as this will automatically call the Fire Brigade who have it within their powers to levy fines for “Unwanted Alarms (currently in excess of \$2000)”. Please open your windows and balcony doors (if applicable) and fan the fumes away from your detector which will cease its alarm once clear. **DO NOT OPEN YOUR MAIN DOOR.**

**\*\*False Alarm Callouts by MFB can exceed \$2000.**

***DO NOT TOUCH THE SMOKE DETECTORS AND SPRINKLERS***

***DO NOT HANG COAT HANGERS THROUGH THE SPRINKLER DEVICE***

Touching the sprinkler head may result in it being activated causing hundreds of litres of water to gush into your unit, which will flood not only your unit but also those below. Severe damage costs will be imposed upon anyone who interferes with a fire sprinkler or a smoke detector!

## Upon Fire

Assist any person in immediate danger only if safe.

- Close doors to stop oxygen fuelling the fire.
- Call the Fire Brigade (000). If calling from your room dial zero (0) for an outside line first.
- Evacuate to assembly area using the stairs (do not use the lifts), assist anyone who may be unable to assist themselves.
- There is an evacuation plan on the back of each door.
- Remain at assembly area and await roll call.

***REMEMBER: DO NOT USE LIFTS IN A FIRE EMERGENCY***
