Party Fabulous

PLANNING A BIRTHDAY BASH, A BACHELORETTE PARTY, OR A GUYS' GETAWAY? THE HIGHLANDER HOTEL ISN'T JUST THE PERFECT SETTING—IT'S ALSO THE COOLEST BY FAR.

Originally built in the '60s and recently reimagined, our trippy urban resort offers a vintage vibe, an energetic attitude, and all the modern comforts you'd expect (along with some you probably wouldn't). At The Highlander, you'll find everything you need to throw an epic celebration—including one of the largest pools in the area for pool parties anytime of the year, an outdoor courtyard with a firepit and lawn games for casual gatherings, and a retro cocktail arcade with classic video games that take you back in time. We're also just 10 minutes from downtown Iowa City.

Throw your bash at The Highlander, and discover why we like to say this is "where five-star meets rock star."

The Ultimate Party Pad

With inviting rooms featuring refined yet funky décor and plenty of space to keep the party going, our Bohemian-inspired boutique hotel gets you in the groove. Just grab your favorite album from our vinyl library along with a free turntable to DJ a jam session for friends and family.

Of course, The Highlander isn't just a place to stay—it's a whole vibe. Its sweet spot is as a multigenerational gathering place. A setting to celebrate birthdays of all ages, family holidays, or just get the gang together for no other reason than to connect to something more than Wi-Fi.
