WELCOME TO YOUR OWN SPACE IN SYDNEY'S WEST

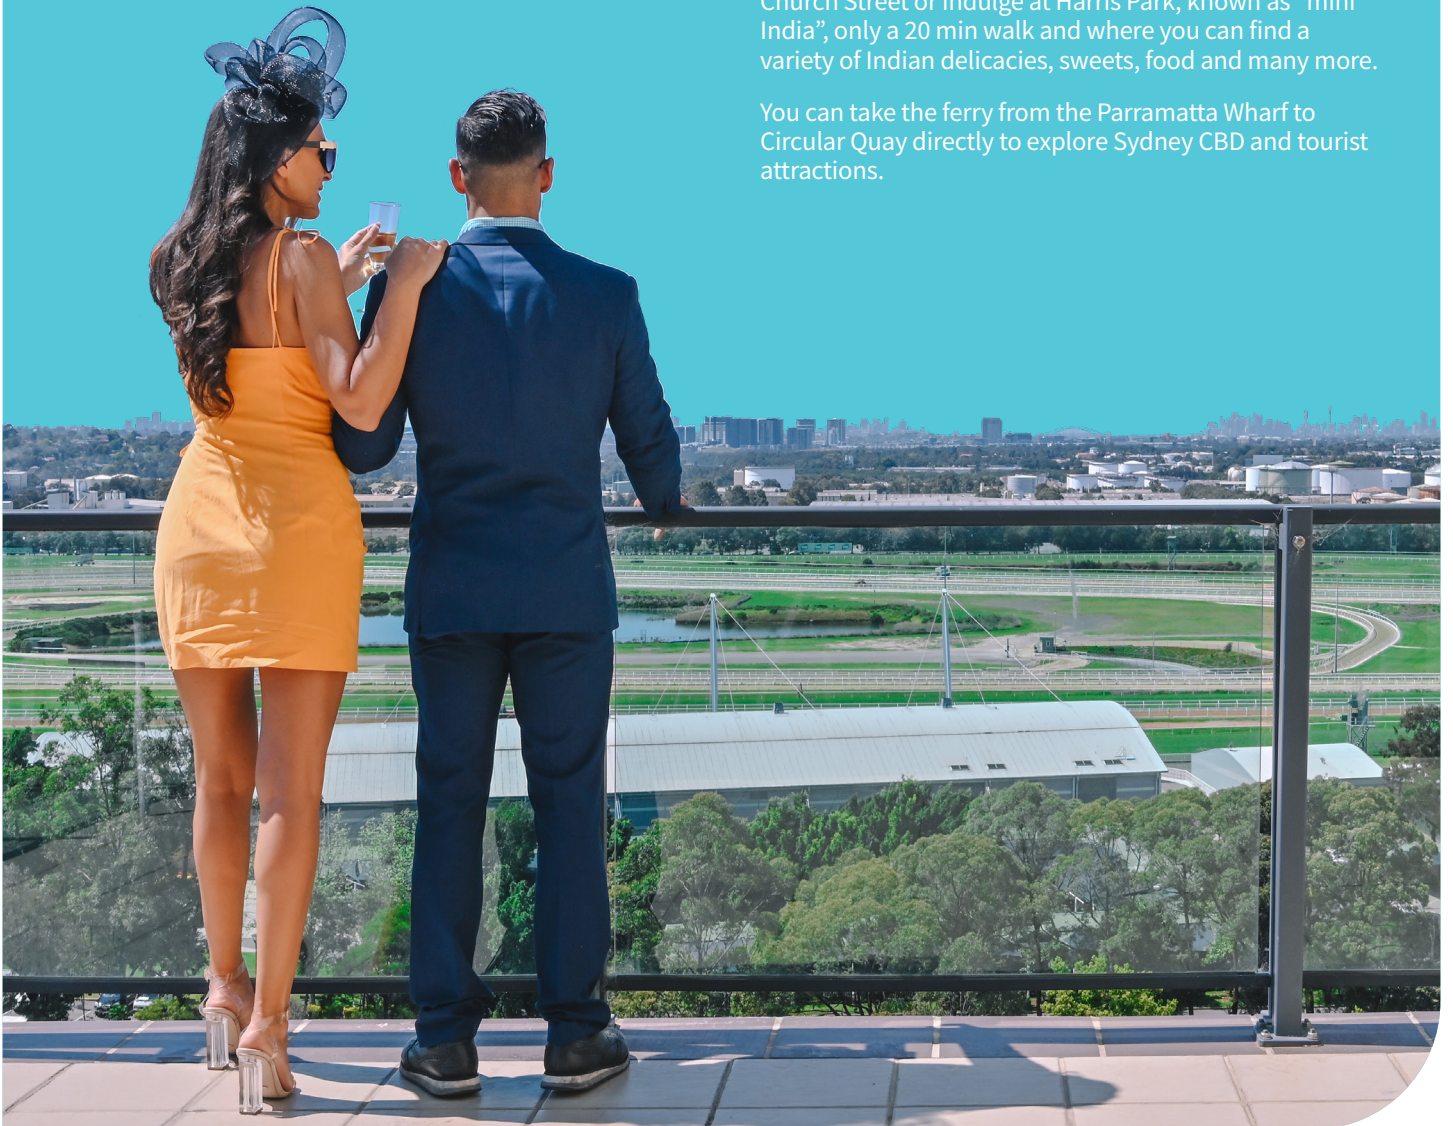

Nesuto Parramatta is located in the heart of Sydney's West, within easy reach of shopping, dining, entertainment and attractions, and minutes from the Rosehill Gardens' Racecourse.

Parramatta Riverside has lots to offer from riverside cycle paths to historic colonial sites like 18th-century Old Government House. Lake Parramatta Reserve is another must do for scenic walks to admire beautiful nature and wildlife. There are two fun playgrounds and children can ride safely on the sealed off-road area. Riverside Theatres is the premier performing arts venue in Western Sydney.

Elizabeth Farm, a historical estate and museum featuring a colonial bungalow with a veranda and 1830s style garden is a beautiful spot to visit. Valvoline Raceway is a short 5 mins drive, the place to enjoy car-racing or take a scenic flight with Sydney Helicopters, located right next to the raceway. Sydney Olympic Park is nearby, home to the 2000 Olympics, and today it is a large complex of all things entertainment, sports and recreation, arts and culture, learning and discovery and lots of family fun, all on 430 hectares of parklands. Go explore.

Westfield Parramatta Mall, Australia's fourth largest shopping centre, is a shopper's paradise, or check out Bankwest Stadium for live event experiences. There are lots of restaurants and bars with a variety of cuisines at Church Street or indulge at Harris Park, known as "mini India", only a 20 min walk and where you can find a variety of Indian delicacies, sweets, food and many more.

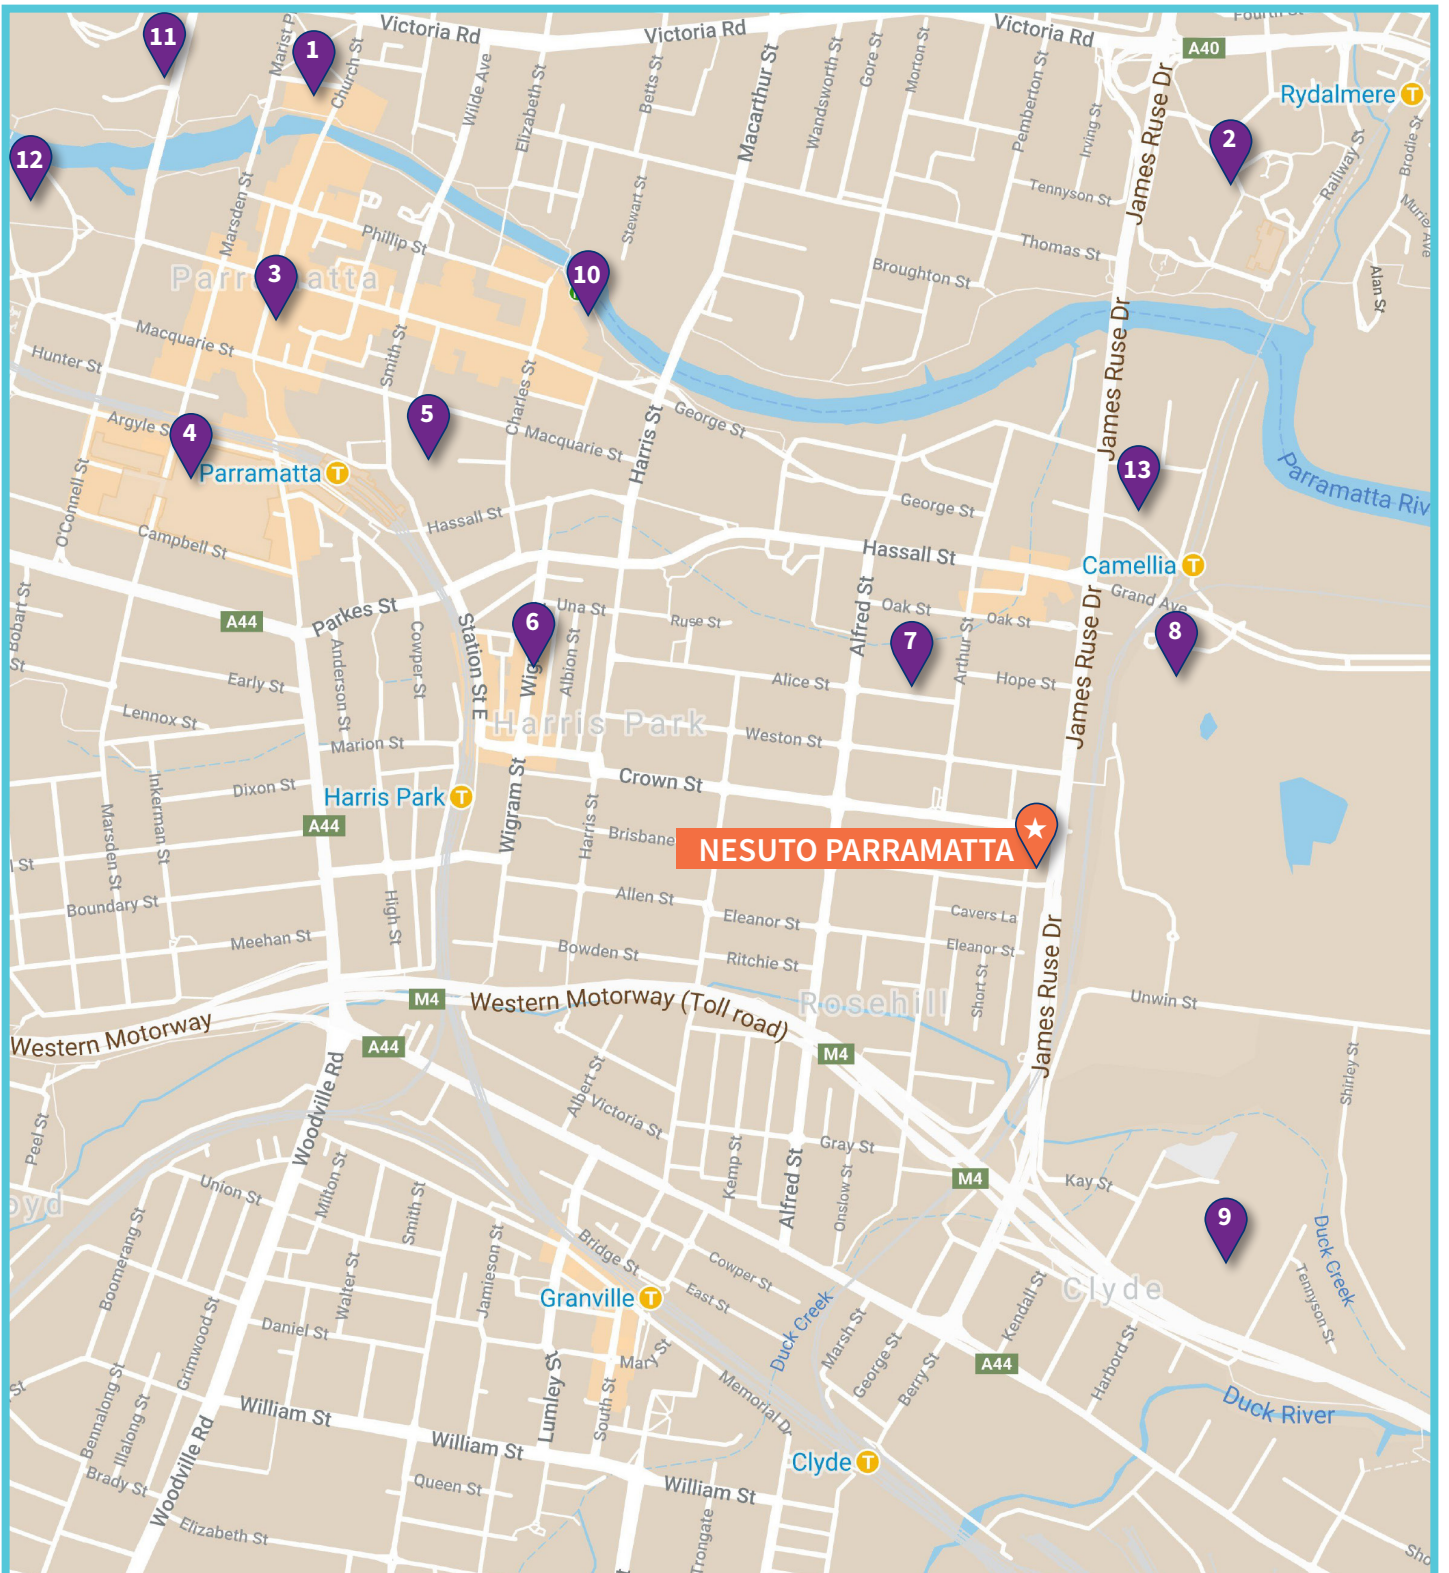

You can take the ferry from the Parramatta Wharf to Circular Quay directly to explore Sydney CBD and tourist attractions.
