\* With our Green Package, we combine professional meetings with sustainable organisation, regional cuisine and the mindful use of resources. Natural light, modern technology, Wi-Fi and personalised support ensure that everything runs smoothly. Digital processes, reusable glass bottles, sustainable materials, regional cuisine, car-free travel and EarthCheck certification make your event more environmentally friendly.

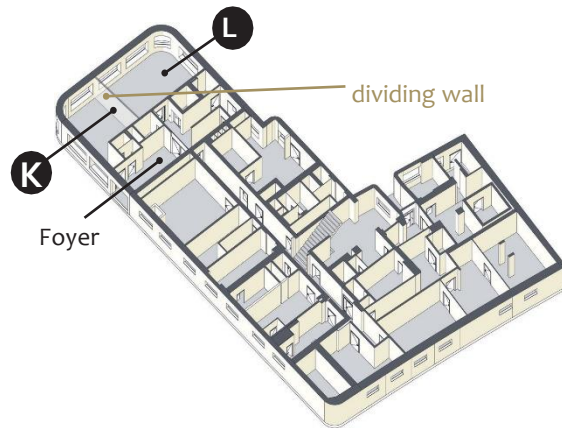

## Room hire

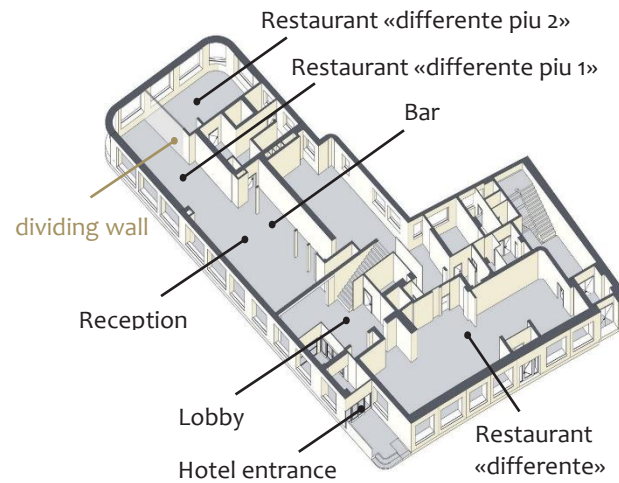

### The right size at the right price

Our seminar rooms can also be hired without benefiting from the day rates. You can thus design your day and the culinary catering of your participants completely according to your wishes. Ask us about our packages: whether it's coffee during the break, a sandwich, standing lunch or a business lunch – we are happy to make it possible for you. Thanks to the soundproofed dividing walls, the rooms can be adjusted to the required size, and the type of seating can be chosen. All rooms have air conditioning, natural light and up-to-date seminar equipment.
