Beijing - August 11th, 2022 - Hotel Éclat Beijing presents Natural Paradise Art Exhibition with contemporary Chinese Artist Hua Qing, showcasing his latest works, including paintings and sculptures, which revolve around animal portraits, representation of flowers, and natural elements. The Natural Paradise Art Exhibition is a brand-new concept from Hotel Éclat Beijing. Hotel Éclat Beijing presents Natural Paradise Art Exhibition with Artist Hua Qing

Contemporary Chinese Artist Hua Qing expresses his artistic thoughts in this way: “Artists need to be pure and sensitive. They can concentrate their vision, their thoughts, and their system of symmetry and reference on the ultimate human theme: the relationship between spirit, life, love, death, the environment, and nature.” In Natural Paradise Art Exhibition, the orangutan, a visual leitmotif in Hua Qing’s artistic creations, highlights the connection between the world of animals and the world of humans, and the flowers, another artistic element of his works, represent the celebration of life, love, beauty, nature, creative force. Hua Qing’s works, through a unique multifaceted expressive language, will bring the viewers into a dream- like dimensions, where the boundaries between reality and imagination are blurred. While celebrating the beauty of nature and of the human brain, Hua Qing’s works also make the viewers ruminate the importance of embracing a harmonious coexistence between human beings and all the other species in the world and of establishing a connection with the natural environment around us.
