Celebrate the warmth of traditions passed down through generations. Handcrafted in-house, every mooncake reflects generations of craftsmanship and the timeless spirit of reunion. From our hands to your table, may each mooncake bring warmth, joy and togetherness to your celebration.

A Glowing legacy

At the heart of the collection are cherished Mid-Autumn classics, from the **White Lotus Paste with Double Yolk** (传统双黄白莲蓉) and **Traditional Mixed Nuts** (传统伍仁) to this season's new **Tangerine Peel White Lotus Paste with Single Yolk** (陈皮单黄白莲蓉), delicately infused with aged tangerine peel for a refined twist on tradition.

Also gracing the collection is the signature **Mini Walnut Moon Tart with Yolk** (迷你蛋黄核桃月酥), featuring buttery pastry and fragrant walnut filling, a festive favourite for sharing or gifting.

With selected low-sugar and yolk-free varieties, the collection is thoughtfully crafted to be enjoyed by every palate.

The Art of Modern Indulgence

Discover this season's new **Mini Hong Kong Milk Tea Snow Skin (迷你港式奶茶冰皮)**, inspired by Café Mosaic's celebrated Hong Kong buffet, and the indulgent **Mini Baileys Cheesecake Snow Skin (迷你百利甜酒芝士蛋糕冰皮)**. Returning by popular demand is the best-selling **Mini Mao Shan Wang Durian Snow Skin (迷你猫山王榴莲冰皮)**, beloved for its rich, creamy indulgence.

Every Mid-Autumn tells a story, and Wah Lok Cantonese Restaurant's collection of signature mooncakes tell one of traditions lovingly preserved, flavours passed down through generations, and reunions made all the more meaningful around a shared table.

Honouring the timeless tradition of lanterns, this year's mooncake gift box transforms into a reusable keepsake: a symbol of light, reunion and memories that endure beyond the season.
