## Respect Childhood

As part of social responsibility and respecting the fulfillment of the rights of children and adolescents who visit us, Porta Hotels rejects and is committed to take the appropriate actions against those who promote, facilitate or tolerate sexual exploitation of children and adolescents using the touristic facilities, activities or services provided.

## Policy against socially harmful acts

Porta Hotels supports, respects and contributes to the protection of internationally recognized fundamental human rights, ensuring it is not complicit in any form of abuse, prejudice, discrimination or violation thereof, not only among its employees but its suppliers, contractors, partners, competitors and the community.
