

# stay + play AT NESUTO MOUNTS BAY

## DISCOVER PERTH

This Apartment-hotel is so central and the perfect base from which to discover Perth, the best ways to explore are either by foot or on a Transperth Bus and some highlights that we think you should explore are:

- The Perth Cultural Centre to see Aboriginal art at the free Art Gallery of Western Australia or to visit the new WA Museum - Boola Bardip, WA's premier cultural organisation, housing WA's scientific and cultural collection. Well worth a visit to explore the rich diversity of Western Australia's cultural and natural heritage.
- The Perth Mint which exhibits Australia's largest gold nugget collection.
- The Swan Bell Tower, the largest musical instrument in the Southern Hemisphere.
- Head on over to the modern Elizabeth Quay with its Waterpark, Venetian Carousel and Playground.
- Wander over to Kings Park, one of the world's largest inner-city parks offering splendid views over the Swan River and city skyline.

## TOP TIPS OUT OF THE CITY

Check out Swan Valley Wine Cruises, departing from Barrack Street Jetty, Perth, and a short walk from our Apartment Hotel. Relax, sit back and enjoy the iconic city skyline and beautiful picturesque landscape, as you escape the city and cruise leisurely into the upper regions of the Swan Valley.

## FREMANTLE

Discover the charming port of Fremantle and take a tour of Fremantle Prison, the state's first jail and largest convict built structure; check out the Western Australian Maritime Museum overlooking the Indian Ocean or head on over to the Fremantle Markets for Aboriginal artworks and local produce.

## ROTTNEST

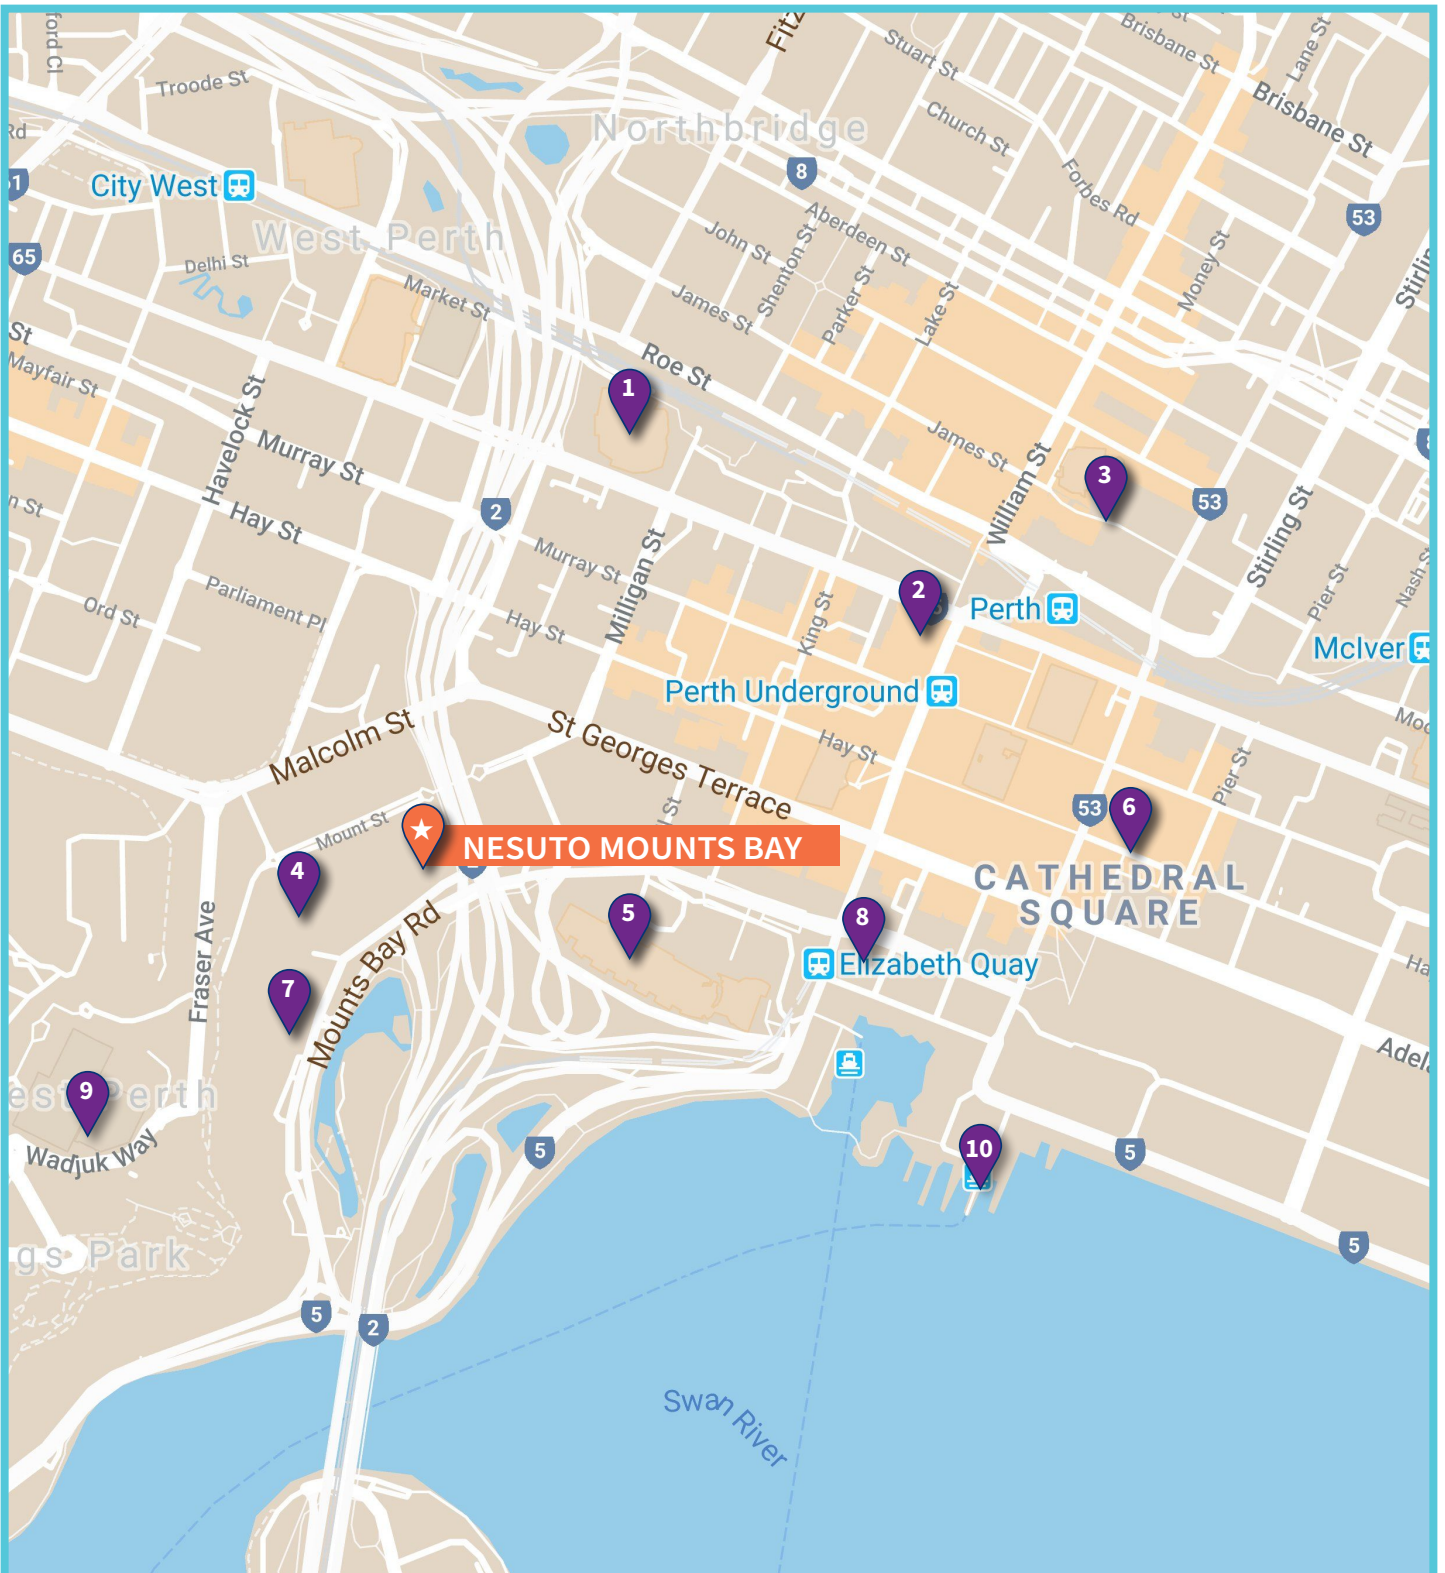

Head over to beautiful Rottneest island, rent a bike and cycle to Oliver Hill, take in the sweeping views and walk to the salt lakes to spot birdlife and quokkas - the island's cute native marsupial. Visit Little Parakeet Bay for a swim then enjoy lunch at Geordie's Café and Art Gallery. Spend time snorkelling, kayaking, diving or surfing. From September to November, take a whale watching trip along what's called the "humpback highway".
