**STIRLING**

## HIGH SOCIE-TEA SELECTION

### HOUSE TEA

#### **Spring Creek Fog:**

Earl Grey Tea, Classic Double Bergamot

#### **King Malcolm:**

Orange Pekoe, Moody and Malty, hints of oak

### BLACK TEA

#### **Scottish Breakfast:**

A perfect breakfast tea with body and full flavour, harkens back to the days when tea laden clipper ships raced to London

#### **Canmore Chai:**

Full body, ginger cardamom finish

### CHAMOMILE

#### **Canadian Lullaby:**

Chamomile, very aromatic with a fruity tending floral flavour

### ROOBIOS

#### **Old Fashion:**

Lively vanilla and jazzy depths

### GREEN TEA

#### **Royal Jasmine:**

Exquisite, abundant Jasmine character on a seasonal tea, this Jasmine flavour is only possible with midnight May flowers.

### HERBAL TEA

#### **Berry Bonnie:**

Bold with full berry flavour. Soft underlying creamy notes belie a tart character.
