

U RIVERGATE KARJAT PET POLICY

Do not hesitate to bring any pet for vacation. We have designed a policy from our experience of our existing guests & pets' requirements, which is for the safety, security and memorable vacation of all the guests & pets. By following the policy, we assure you that you and your pet/pets will have a fantastic stay at U Rivergate Resort.

- 1) Kindly ensure you are carrying a disposable bag to take care of the natural call of your pets for a clean environment for other guests.
- 2) You are free to take your pet everywhere on the property on a leash except Lobby, Restaurant, Bar & Pool Side. If the pet is not on a leash, other guests may get scared if they are not pet-friendly.
- 3) If you need food for your pet, feel free to order the same from the restaurant. Kindly be specific about your food requirement to ensure the suitable dish is delivered. We don't want your pet to be hungry due to a change in taste.
- 4) We charge a non-refundable fee of Rs. 2000/- plus taxes per pet/ day, towards extra mattress for the pet and thorough cleaning of room after the pet has checked out for the comfortable stay of our next guest.
- 5) Any damage to room furniture or the property by your pet will be billed to your room and needs to be paid on or before check out.
