MICE AT AMBARRUKMO

ENJOY A HASSLE-FREE MEETING, GATHERING
AND CONVENTION AT A LEGENDARY HOTEL
WITH HUNDREDS OF YEARS OF HISTORY...

To answer the ever-growing opportunity of MICE business, Royal Ambarrukmo Yogyakarta has equipped itself with 21st century meeting facilities.

In addition to the existing meeting rooms and the legendary Karaton Ballroom, a new ballroom with sophisticated technology apparatus has been constructed in 2014. It was then inaugurated as The Kasultanan Ballroom. Consequently, this additional facility makes Royal Ambarrukmo Yogyakarta the only hotel in town with more than 30 venues of various characteristics: indoor or outdoor; lower or upper floor; formal or intimate; traditional or contemporary, and small or big scale.

Whatever requirements you have in mind, we are committed to make it happen ...

THE VENUES

The Kasultanan Ballroom

Situated on the 2nd floor, this newly built ballroom occupies 1,500 sqm areas and is able to accommodate up to 2,500 invitees. The facilities include a 9 meter ceiling, multi-positioning stage, high technology devices, a spacious pre-function and reception hall, private entrance and direct access to parking area.

The Karaton Ballroom

Located at the 8th floor, The Karaton Ballroom has for long attracted socialites to hold lavish private parties. Now, having been painstakingly renovated, it continues to keep the traditions alive.

Intersection Floor - 2nd Floor

Being located right above the lobby and at the same level with Kasultanan Ballroom, all five meeting rooms in the intersection floor provide direct access corridor to the hotel's biggest ballroom and convenient entrance from the lobby.

Pemandangan Rooms

All four Pemandangan Rooms offer scenic view of Mt. Merapi at North side and Wonosari Hill at South side. The Executive Lounge with panoramic views is just steps away, where the coffee break is usually served.

Kedaton Ambarrukmo Heritage Complex

The Royal Palace Residence was built in 1857, Kedaton Ambarrukmo Heritage Sites has been carefully restored, taking into account its historical values and architectural details. Now, nearly 200 years after its development, it remains a dignified venue for all manner of social events.

SamaZana

Overlooking the Royal Gardens, our newly created Mediterranean and Asian flair restaurant provides an elegant-modern indoor and outdoor setting for breakfast, lunch, dinner and special occasions.

Royal Garden & Pool Side

Surrounded by shady well-maintained gardens, this Royal Garden offers a perfect scene for outdoor gatherings, either standing or sit-down style.

Punika Deli

Located at the front area of the lobby, this tastefully designed delicatessen offers a perfect place for casual meeting, intimate gathering or business talks.

ROYAL AFFAIRS

ROYAL AMBARRUKMO YOGYAKARTA HOSTS ONE OF A KIND VENUE FOR MINDFUL EVENTS

Kedaton Ambarrukmo Heritage Sites, which was built in 1857 and used to be a Royal Residence of King Hamengku Buwono VII soon after his abdication, is for sure the highlight of the vicinity. Today, it is made available for public to feel the experience of Royal living.

Following the building principals of Javanese Architecture, the Kedaton comprised of numerous rooms. Each one of them had its own purpose:

- **Pendopo:** a semi open-air pavilion to hold cultural performances and formal reception.
- **Pringgitan:** a semi-private room to receive private guests.
- **Ndalem Ageng:** King & Queen's rooms thus the most private area.
- **Gadri:** Royal dining room, reserved for Royal Members only.
- **Bale Kambang:** a bathing pool as well as recreational and meditating corner.

Choice of Events:

- Jodhang Set Menu
- Rijsttafel
- Thematic Royal Buffet
- Patehan Ceremony
- Ramayana Ballet Dinner
- Batik Luncheon
