Weddings Made Memorable

"During the wedding planning process, the team were prompt and detailed in responding to all our queries and provided great solutions for us.

They went the extra mile in looking out for our logistics, wedding rehearsals, and accommodation for our bridal party and parents.

They also helped us to liaise with our friends who were helping us with the wedding operations."

"My husband and I were just reflecting how thankful we are for choosing to go with YWCA for our banquet dinner.

We are thankful to the team, who was really amazing in their customer service (fast replies!) and we felt really assured the whole way that they had our best interests at heart during the whole planning process.

We also really appreciated the clarity in explaining to us what had to be done."

Memories Made, Moments Cherished

“Recently had my wedding held at YWCA Fort Canning, the whole process was super smooth, all thanks to the team, we booked immediately after checking out the location and services given by the team were top notch.

They were there to help us quicken our wedding prep and made sure everything went smoothly. Our guest thoroughly enjoyed the Chinese banquet dinner and gave thumbs up for the food!

Banquet staffs were also attentive and quick. Set up was also modern and pretty.

Overall recommended for your special day!”
