SCENIC DRIVES

CANMORE & KANANASKIS

KANANASKIS HIGHWAY – HWY 40 SOUTH TO UPPER KANANASKIS LAKES

This is for the laid-back driver looking for views along a smooth and easy day drive. From Canmore, head east on the Hwy 1 (Trans Canada) and turn south onto Hwy 40 (Kananaskis Highway). This is the same turn-off as the casino (easiest landmark to spot). This is where the drive gets very scenic. Be on the lookout for wildlife as well. Deer, elk, goats, and bears can frequently be spotted along the highway. The road continues to wind to both Lower and Upper Kananaskis Lakes. Highlights include: Barrier Lake Day Use Area, Kananaskis Village, Boundary Ranch, Fortress Junction, Peter Lougheed Park Discovery Centre, and the Kananaskis Lakes.

SPRAY LAKES VALLEY LOOP

This drive is for the adventurous soul. This drive is best for high clearance vehicles such as pickup trucks, Jeeps, or SUVs. Before heading out, please visit the hotel Concierge Team for maps and updated road conditions. The drive can be treacherous at times and is periodically closed for avalanche control. The drive starts on the Spray Lakes Road (just past the Canmore Nordic Centre). After the Grassi Lakes trailhead turn off, the road becomes unpaved and often unmaintained. Drive carefully as the road starts to climb up past the tree line on the shoulder of Mount Rundle, and back down to the backside of Mount Lawrence Grassi. Follow this gravel road until you reach the junction for Peter Lougheed Provincial Park and then turn left. You then take a second left onto Hwy 40. Keep driving until the Hwy 1 (Trans Canada) exit and head west back to Canmore. Highlights include Quarry Lake, Grassi Lakes, Whitemans Pond, Spray Lakes Day Use Area, Mt. Shark Day Use Area, and Chester Lake.

BANFF & BEYOND

BOW VALLEY PARKWAY

This is a scenic drive with multiple breaks and many points of interest along the way. Highlights include Grotto Canyon where you will find rock climbers, Johnston Canyon, the memorial in honour of Ukrainian internees, the scenery of polar forests, peaceful meadows, and the Bow River. It will add an additional 2 hours from south of Canmore to Lake Louise, however it is a much more beautiful drive than the main highway. *Seasonal closures on this highway for bicycle-access only.

HIGHWAY 1 WEST & YOHO NATIONAL PARK

In the beautiful province of British Columbia, just west of us, lies the rugged and untouched beauty of Yoho National Park. Accessible by Highway 1 West, Yoho is home to the rich-green coloured Emerald Lake, the natural rock formations of the Natural Bridge, and the incredible power of Takakkaw and Wapta Falls. This is a great option for a full-day outing.

HIGHWAY 93 SOUTH AND KOOTENAY NATIONAL PARK

A popular wildlife corridor, Highway 93 South leads you to the unique Kootenay National Park. One of the worst fires in the Rockies' history ravaged through this area in 2003, but there's proof that beauty can come from ashes as the scenery is now a photographer's paradise with charred wood juxtaposes, vibrant green vegetation, and glorious blue waters. Points of interest include Stanley Glacier, Marble Canyon, and further south, the town of Radium's famous hot springs. Its hot mineral water is odorless and clear, perfect for a relaxing soak. Kids will enjoy swimming and diving in the cooler swimming pool (27°C). Visit south-eastern British Columbia's largest day spa in Radium. See if you can spot one of the bighorn sheep that make this canyon home.

ICEFIELDS PARKWAY - HIGHWAY 93 NORTH

Year after year, this drive ranks near the top of the list of Most Scenic Highways in the world as voted by National Geographic. It winds beside peaceful lakes and rushing rivers overlooking snow-capped mountain peaks and majestic glaciers. Points of interest include the Columbia Icefields Centre, Bow Lake, Peyto Lake, Mistaya Canyon, Sunwapta Falls, Athabasca Falls, and many more! Along the way, keep an eye out for wildlife including elk, mountain goats, and bears!
