### Sunday Gift-Making Series | Week 3

#### DIY Festive Ornament Station

**Sunday, December 21**

Capture the magic of the season with a one-of-a-kind ornament made by hand. In Week 3 of our series, you'll have access to an assortment of clear glass and wooden ornaments to personalize using paint pens, faux snow, greenery, glitter, ribbon, and gift tags.

Whether you're creating a treasured keepsake for your own tree or a heartfelt gift for someone special, this festive workshop offers a cozy, creative escape from the holiday hustle. All supplies are included, and every design is welcome—classic, whimsical, sparkly, or sweet.

Come craft a little holiday cheer and hang onto the memories all season long.
