Spray Tanning

Versaspa Pro combines skincare science and tanning technology for a radiant glow. Voice-guided instructions and four positions ensure full-body coverage and an easy experience. Choose Instant or Gradual, with anti-orange undertones and a pH-adjusting formula for a natural tan. Infused with Vitamin E, Tomato Fruit, Vitamin C, and Aloe Vera for lasting color. Enjoy a nut allergy-free fragrance and no odors. Go beyond tan.

CUSTOM SHADES: Instant or Gradual

PRICE: Basic \$25 per session;
Signature \$40 (includes all enhancements)

Spray Tanning Enhancements

PRE-TAN EXMITT BODY BUFF - Easy-to-use mitt that exfoliates, primes and balances the skin's pH for maximum sunless results.

WELLFIT LIFT OR HYDRATE SOLUTIONS - Quick, full-body skincare in under two minutes. Hydrate with Triluronic Acid provides 24-hour moisture, while Lift's C-Lift Peptide Complex boosts collagen. Together, they mimic red-light therapy for healthier, plumper, brighter skin. Available as standalone or combined treatments.
