## THE NATIONAL RENTAL AFFORDABILITY SCHEME

The National Rental Affordability Scheme (NRAS) is an Australian Government initiative that seeks to address the shortage of affordable rental accommodation by offering a financial incentive to providers of new rental dwellings. The incentive is offered on the condition that the dwellings are rented to eligible low to moderate income earners at a minimum of 20% below market rates.

**About NRAS**  
As an NRAS approved accommodation provider, The University of Canberra, with the support of the ACT Government, will provide an additional affordable accommodation for students over the coming years. This will include The University of Canberra – UC Lodge.

To receive the Government incentives, The University of Canberra must satisfy the following conditions applying to NRAS approved dwellings

- They must be allocated to low to moderate income earners (refer to eligibility requirements below).
- Tariffs must be set at a minimum of 20% below market rates.
- Yearly tariff increases are capped at the rental component of the Consumer Price Index (CPI) for the ACT from December to December.
- The University must give priority to students travelling from elsewhere in Australia.

To be eligible you must be a domestic or International student whose 2025-2026 annual income (in Australian Dollars) is below the following limits:

<b>2025-2026 NRAS Year (1 May 2025 to 30 April 2026)</b>			
<b>Eligibility Requirements</b>	<b>Household composition</b>	<b>Initial income limit</b>	<b>Existing tenant income limit*</b>
	One adult	\$62,794	\$78,493
	Two adults	\$86,818	\$108,523 (shared income)
	Three adults	\$110,842	\$138,553 (shared income)
	Four adults	\$134,866	\$168,583 (shared income)

\* Applies to each additional adult living in share accommodation. I.e. combined initial income limit of a couple living in a Studio Double Deluxe will be \$86818.00.

^The income limits specified are applicable to domestic and international students and are calculated in Australian Dollars.

### **Initial Eligibility**

To be eligible to become a resident in an NRAS approved dwelling, your annual gross income must not exceed the Initial Income Limit outlined in the table above. To enable the University to assess your eligibility, you will therefore be required to:

1. Provide an estimate of your annual gross income for the 12 months immediately prior to the date you submit your online application for accommodation, and
2. Provide a complete Income notification form and supporting documentations evidencing your gross income for the 12 months period ending on the day before your Occupancy/Room Agreement is due to commence. The completed form and supporting documentation will need to be submitted your residence on the day that your Occupancy/Room Agreement is due to commence.

Please note: If the University is unable to satisfactorily determine your income based on your completion of the Income Notification Form and the supporting documentation that you provide, it may require you to complete a Commonwealth Statutory Declaration.

#### **Continuing Eligibility**

The continuing eligibility of residents of NRAS approved dwellings will be assessed on the 12 month anniversary of the day they took up residency. If a resident's annual gross income exceeds the Upper Income Limit in the above table they may cease to be eligible.

Resident's will therefore be required to submit an Income Notification Form, and supporting documentation, or Statutory Declaration if required by the University, on the 12 month anniversary of the day they took up occupancy substantiating their gross income for the 12 months immediately prior.

If you have any questions about your eligibility, please contact us on 02 6110 4000 or email [uc.uclodge@unilodge.com.au](mailto:uc.uclodge@unilodge.com.au).
