## FROM VOWS TO FAMILY VACAYS:

In the midst of life's beautiful chaos, both has found solace in returning to the tranquil shores of Tanjung Rhu, where their love story unfolded over a decade ago when they exchanged vows in May 2007. With hearts full of nostalgia, they introduced their young boys, Henry and Kevin, to the place that holds the key to their fondest memories

“ We got married on the 1st of May 2007 and moved to Australia, we bought the wedding package by Tanjung Rhu and we glad we did because everything was perfect and now we very proud to share with our kids where we got married where our life as husband and wife begins.

Last month was our first time back to Tanjung Rhu resorts with our 2 boys Henry and Kevin (10 & 14 years old)

The resort is just the way we remembered, 5stars as always all the way from the staff's, the room and the facilities. - Mr. Wayne & Mrs. Catherine
