### EXCITING NEW OFFERINGS

#### THE FIRST OF ITS KIND: A SPACE ODYSSEY – AN AUGMENTED REALITY STAYCATION

The fun begins as you step into the room. Grand Park City Hall introduces its first-ever augmented reality staycation, developed in collaboration with the Singapore Tourism Board, which allows users to get a taste of space exploration during their stay.

Agely titled “A Space Odyssey”, the Grand Park City Hall exclusive mobile application offers an interactive gaming experience where guests are invited to put on their space suits and complete astronaut missions such as mining of resources from planets in the solar system in Story Mode to creating their own galaxies in God Mode.

The hotel presents an **amazing special offer** for guests who book rooms under “A Space Odyssey” from now to 30 June: they will enjoy multiple perks such as a specially curated Space Kit, the redemption of a complimentary galaxy-themed dessert worth \$18++ after unlocking Story Mode in the app.

Guests who book rooms with this promotion will also be able to redeem a 20% discount on a specially curated **3 Course Galaxy Kids Menu** (available to children 12 years old and under). This menu features easy-eating dishes whimsically designed to express the space theme like the self-exploratory **Shooting Star Margherita Pizza** and a playful **Asteroid Attack** featuring purple Italian gnocchi served with chicken, hot dogs, and Parmesan cheese.

#### INSTA-GRAND STUDIO

Families and friends who want flattering, fun photographic keepsakes of their time together would also be thrilled with a brand-new amenity that the hotel is offering: booking one night’s stay under the “Stay and Recharge” offer will include a complimentary 60-minute usage of Grand Park City Hall’s Insta-Grand Studio.

Insta-Grand, as its name might suggest, offers a thoughtful way for friends, small families, and couples to have some pictorial fun, with flattering studio lights, different backdrops, and props. Time in this special photo studio set-up is available only through this year-long promotion.

This particular “Stay and Recharge” promotion also includes a complimentary set of their popular Afternoon Tea served right in the room, so guests can really feel the luxury of “time for themselves”.

### DINING SPECIALS

#### TABLESCAPE RESTAURANT & BAR

Tablescape makes it easy to sustain the momentum. For all of March, the restaurant treats all dine-in guests to an enticing **20% off the à-la-carte menu**.

The charming restaurant was and continues to be the picture of easy elegance with its graceful light-filled dining room, plush, softly coloured chairs, and warm service. It’s the perfect backdrop for the modern European menu it serves, hearty classics from Europe updated with exciting contemporary influences that, much like Grand Park City Hall, pay elegant tribute to its locale.

Consider, for example, the **Botanica Garden**, a starter as lovely in appearance and flavour as its UNESCO World Heritage Site inspiration. The delicate, glamorous appearance of this plant-focused dish delivers a spectrum of flavours and textures. Charcoal-grilled aubergine forms the base for a careful arrangement of vegetables and fruit tossed in a housemade *Secret Dressing* which is a non-secret blend of olive oil, Pommery mustard, raspberry vinaigrette, and white onion.

The **Four Grains** starter features the buttery French favourite in a dish that pays tribute to the Asian penchant for adding fruity sweetness to a dish but adds a twist with a rich alcoholic flourish by using wild cherries preserved in alcohol while the **Chocolate** dessert offers the bittersweet complexity chocolate connoisseurs desire in the chocolate cake, then contrasts it with a cardamom-infused crème anglaise.

Classic European flavours have also evolved. That most classic of European cuisine, the steak, is offered in Tablescape as a generous cut of carefully sourced Australian wagyu, with a marbling score of 5 or 6. Expertise and experience come into play here: rather than a complicated dish, the **Beef Wellington** is seasoned simply with salt and grilled with precision so that every bite is a showcase of the beef, and of the team’s hard-earned understanding that sometimes all that top-quality produce requires is respect and the simplest of loving preparation.

This March, Grand Park City Hall opens its doors once more, and the rediscovery is made even sweeter with the plethora of promotions.

### About Grand Park City Hall

Grand Park City Hall is the flagship luxury hotel of Park Hotel Group, occupying a prime location in Singapore’s civic and central business districts. Part of Grand Park City Hall is City Hall Square, a three-storey mixed lifestyle development with a dining, beauty, and fashion boutique created by integrating two century-old conservation shophouses within its modern structure, which comprises 343 guestrooms across 10 floors – a design that perfectly embodies Singapore’s unique culture.

By building new upon the old, history and heritage and the hotel fabric become inseparable. Visual touches acknowledge this connection: take the neo-classical aesthetic of the restaurant – a tribute to the Neoclassical and Palladian architecture to nearby landmarks such as the National Gallery, Paranakan Museum, and Supreme Court.
