**HAVEN RIVIERA CANCUN RESORT & SPA earns coveted  
AAA Four Diamond Designation**

**Recognized for Excellence in Luxury and Exceptional Guest Experiences**

HAVEN RIVIERA CANCUN RESORT & SPA is thrilled to announce it has earned the prestigious AAA Four Diamond designation, a recognition that highlights the resort's exceptional service, high-quality accommodations, and unforgettable guest experiences

The AAA Four Diamond Award is given only to properties that go above and beyond to deliver top-notch experiences, and Haven Riviera Cancun is proud to join this exclusive league.

"We are honored to receive the acclaimed Four Diamond designation from AAA," said Jose Luis Caneiro, General Manager. "This accomplishment is a true reflection of our team's hard work and dedication to making every guest's stay extraordinary. We're so proud to share this moment with all of our valued guests and staff who make Haven Riviera Cancun the special place it is."

Nestled between the hustle of Cancun and the tranquility of the Riviera Maya, Haven Riviera Cancun offers an idyllic adults-only getaway designed for relaxation, wellness, and indulgence. Spread across 250 acres of lush, tropical beauty on the Yucatan Peninsula, yet only 20 minutes from Cancun International Airport, this all-inclusive resort provides an ideal getaway for couples and groups, blending luxury with the warmth of Mexico's year-round sunshine.

The resort stands out not just for its stunning oceanfront setting, but also for its thoughtfully designed rooms, gourmet dining options, world-class wellness programs, and personalized service. It's no surprise an award known for its high standards would recognize all that Haven Riviera Cancun brings to the table.

To earn the impressive AAA Four Diamond designation, hotels and restaurants must pass a rigorous evaluation that includes unannounced, in-person visits by AAA's expert inspectors. "AAA is pleased to recognize Haven Riviera Cancun Resort & Spa with the Four Diamond designation, meaning its unwavering attention to both service and surroundings have placed it into the upper tier of AAA's Diamond Program," said Stacey Barber, AAA Travel Executive Director. "To maintain the exceptional standards required for this designation daily is an outstanding achievement. Four Diamond hotels and restaurants are attentive to guests needs and consistently deliver memorable travel and dining experiences."
