Originally built in 1924, The Artmore has been a prominent figure on West Peachtree and today redefines the art of Southern Hospitality. Combining Spanish Mediterranean architecture with modern details and amenities, The Artmore prides itself on providing genuine guest service in a comfortable atmosphere. Within your guestroom you will experience amenities that include modern audio and video systems featuring plasma TVs, iPod docking stations, and convenient mini bars in every room, providing a level of hospitality that you are sure to enjoy. Please be sure to make your appearance at Studio, our wine and cocktail bar in the lobby of the hotel.

DISTINCTIVE STYLE

The guest rooms were completely refurbished in warm tones of brown, shades of red, cream, woods, metals and leather with playful touches highlighting the hotels proximity to the Arts District. Surprisingly, this is all being offered at rates that are keyed into today's economy while providing a solid value for both the business and leisure traveler. Finally, there is an affordable, upscale getaway perfectly situated to take advantage of the surrounding arts venues and multitude of shopping and dining spots the area has to offer. Midtown is fast becoming the hub of the arts and culture community of Atlanta.

UNIQUE SIGNATURES

The Artmore has created many memorable spaces throughout the hotel. In the middle of it all is the now famous hand-hammered copper fire pit and water feature. It is surrounded by comfortable couches and big, luxurious chairs perfect for relaxing and enjoying the great outdoors. Cooler weather is when we provide outdoor heaters and our signature blankets to keep you cozy, another Artmore special touch. This urban sanctuary also plays host to many of Atlanta's most unique events and is available for yours as well. The Courtyard can accommodate receptions, weddings, cocktails and live music events up to 200.
