TREATMENTS FOR THE FACE

Bespoke skin wellness powered by Elemis. The No.1 luxury British skincare brand, bringing you ground-breaking formulas for transformative results. Our hands on facial treatments use touch as a powerful diagnostic tool, softening and prepping the skin to receive actives. Products are applied using a combination of ancient and modern massage techniques from around the world.

Whether it's to renew, resurface, brighten, firm or smooth, achieve your skin goals with an Elemis Signature Pro-Glow Facial and discover surreal results in just one treatment, leaving your complexion visibly refreshed and renewed.

Supercharge our standard facials with the ELEMIS BIOTEC 2.0. The new ELEMIS BIOTEC 2.0 machine harnesses the revolutionary power of advanced cold therapy with New Subzero CryO2 Therapy, Advanced Light Therapy, Microcurrent, an Ultrasonic Peel and Galvanic Infusions to bring you facials that deliver clinically proven results.
