

# SUMMER ADVENTURES

## YOUR SUMMER ROXBURY ITINERARY

---

"Waterfalls, Whimsical Spas & Fireside Magic"

### **DAY 1**

#### **Afternoon Check-In & Shimmer Spa Exploration**

Arrive at the property and settle into your themed room or fantasy cottage. Once you're unpacked, dedicate your afternoon to exploring the distinct resort amenities split across the two main locations.

- Relax at Shimmer Spa North (Village Location): Start slow by slipping into the deeply relaxing Steam Room and quiet reflection space to sweat off the travel tire. (Open daily until 6:00 PM).
- Soak at Shimmer Spa South (Village Location): Move to the South facility to enjoy the bubbling hot tub and soothing dry sauna, complete with a cozy fireplace setting to set the vacation mood.

## **Evening: Mountain Dining & Stargazing**

- Dinner at Chappie's Good Food: Head into town for a relaxed, hearty dinner. They serve excellent local pizzas, burgers, and salads in a warm, welcoming environment.
- Fireside Moments (Evening Magic): Return to the Village location as night falls. Grab a kit to make s'mores and gather around the crackling wood-burning fire pit for a night of stargazing under clear Catskill summer skies.

## **Day 2**

### **Morning: Local Treasures & Scenic Trails**

- Pakatakan Farmers Market: (If it's a Saturday) Drive over to the historic Kelly Round Barn. It's a gorgeous seasonal market where you can grab fresh pastries, and local summer fruits for breakfast.
- The Catskill Scenic Trail: Rent a bike or take a morning stroll along this beautiful multi-use trail.

- The Crooked Cabana: Lounge by the sparkling outdoor pool or take a refreshing dip. If you want to switch things up, sink into the indoor hot tub or step into the dry sauna.
- Lunch at The Crooked Cabana Cafe: You don't even have to leave your lounge chair. Sip on handcrafted summer cocktails and order light bites or fresh flatbread platters right by the water. (Open daily 12:00 PM – 7:00 PM).

## **Evening:** Casual Eats & Lawn Games

- Dinner at The Watershed Roxbury: Keep the laid-back vibe going with premium pressed sandwiches and locally sourced plates.
- Lawn & Gardens: Spend the remaining golden hour sunlight wandering the expansive manicured lawns. It's the perfect time for a casual game of frisbee or to sit by the Stratton Falls gas fire pit with an evening drink.

## **Day 3:** Chasing Waterfalls & Living History

Morning: The 50-Foot Cascade

- Trails & Falls Hike: Wake up early and hit the resort's private, winding forested trails. Follow the wooden staircases and stone arch bridges down to the base of Stratton Falls—the property's signature 50-foot cascading waterfall. In the morning light, the mist and surrounding summer wildflowers are truly magical.
