

"Wine is one of the most civilized things in the world and one of the most natural things of the world that has been brought to the greatest perfection, it offers a greater range for enjoyment and appreciation than, possibly, any other purely sensory thing." - Ernest Hemingway

Firewater Grille has been born out of the natural ethos of Fire, Water, Wood and Stone surroundings.

With this in mind, a magnificent central water feature, exclusively created for the soft sound of tranquil water, surrounded by flickering flames.

Our food and wine focus is primarily on our world famous Western Australian produce, whilst touching on regions further afield.
