LISS ARD ESTATE

West Cork's Premier Estate

Nestled on the southern coast of West Cork, Liss Art Estate epitomizes the enchantment of the Irish countryside on a vast domain covered with cypresses and century-old cedars.

This elegant Georgian-style manor offers bright guest rooms furnished in a modern country style and divided between three buildings, each with its unique character. Its restaurant, Garden at Liss Ard Estate, features in-season produce from the garden and meat and fish supplied by local producers, for a farm-to-table culinary experience.

The Rooms

All of the the Estate's 26 guest rooms where fully renovated in 2022 and are located in its Georgian Manor, Garden House and Lake House.

The Manor was built in 1853 and the Victorian Lake House in the 1870s. The property offers 3 Suites, 2 Junior Suites, 19 King rooms and 2 Cosy rooms.

The Estate

During your stay, you can go kayaking and paddleboarding on the private lake, enjoy an outdoor yoga class, or treat yourself to a relaxing massage.

On the grounds, take the time to enjoy a nearly metaphysical experience, contemplating the sky from the Sky Garden, a giant earth-and-stone crater lined with emerald grass, the work of renown artist James Turrell. The property is also an excellent starting point for exploring the Wild Atlantic Way, Ireland's most iconic coastline.
