Our storied past

"Elegant simplicity is the Marbella Club philosophy. It's our way of life."

Prince Alfonso von Hohenlohe
Founder of the Marbella Club

Tucked between the Sierra Nevada mountains and the Mediterranean Sea, the Marbella Club is full of life

A scenic view of a finca with a tiled roof, palm trees, and a mountain in the background. The finca has a white wall and a tiled roof. There are several large palm trees in the foreground and background. A mountain is visible in the distance. The scene is set in a lush, green environment.

Timeless

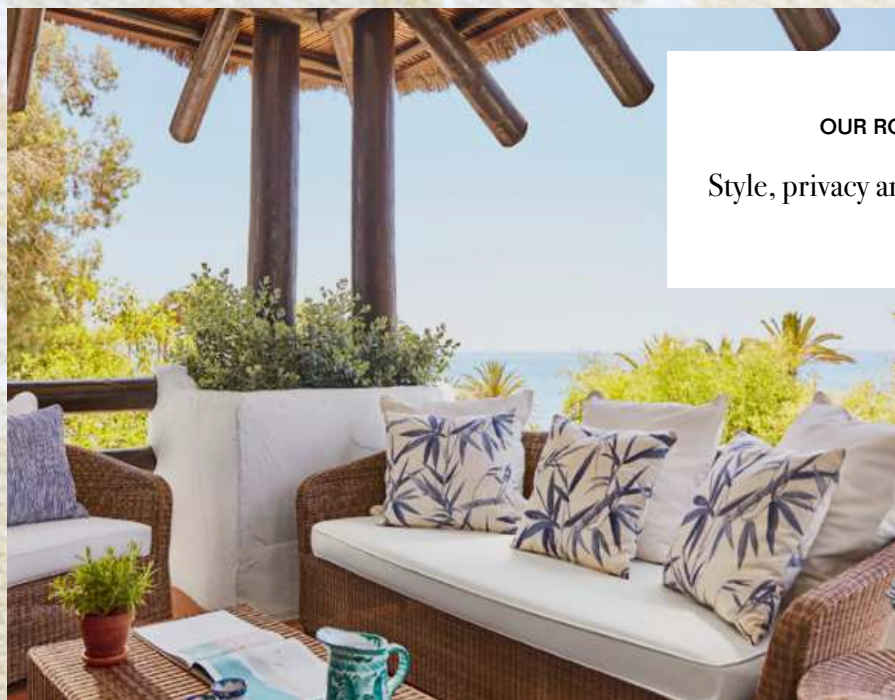

Experience a storied finca that has endured time
by poignantly blending heritage and innovation

EL PATIO

Nestled among the agapanthus, bougainvillea and jasmine, our verdant courtyard offers a peaceful sanctuary during the day coming alive at night with its swathes of twinkling lights

Tucked into one of the sunniest corners of the hotel, the Garden Pool brings together easygoing poolside living with fresh Mediterranean flavours.

EL OBRADOR de *El Olivar*

An artisan bakery and deli for slow mornings, afternoon merienda and everything delicious in between. Fresh sourdough, buttery pastries, seasonal cakes, finca produce and savoury favourites are made throughout the day in the open bakery, to enjoy in or take away. Warm, relaxed and full of little temptations, El Obrador celebrates thoughtful craft and the irresistible joy of something fresh from the oven.

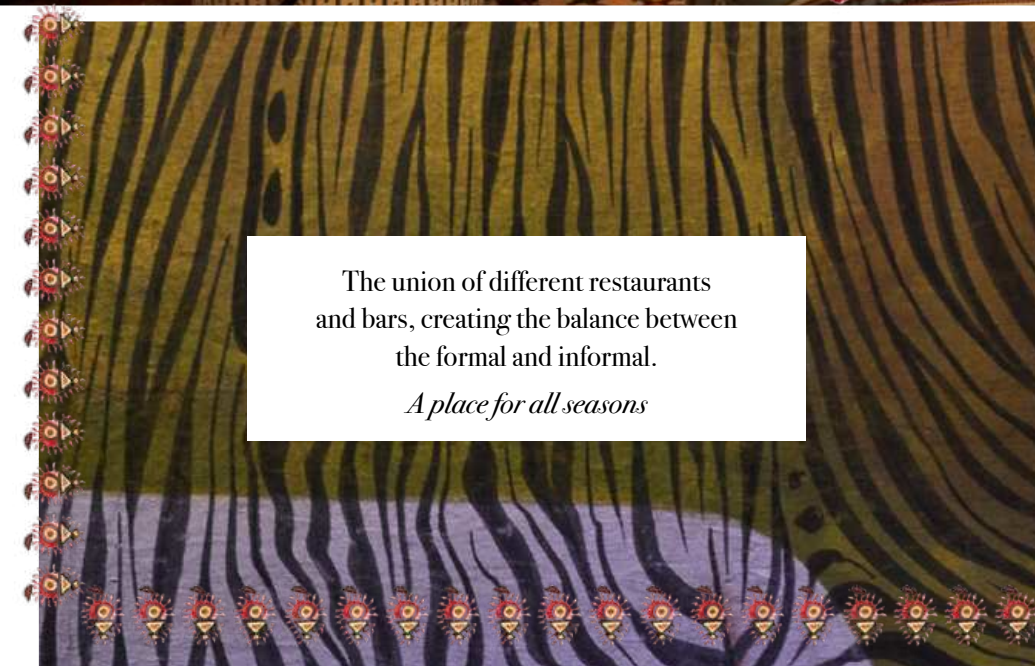

Meet Kiosko 54, the playful younger sibling of our Beach Club. Set right on the promenade, it is a relaxed little spot for sun-soaked afternoons, refreshing cocktails and light seasonal bites.

Come for a game of backgammon, a beach break between swims or that golden moment when the day drifts into sundowners.
