SETTLING IN

We understand that as students coming from overseas to reside and study in a new country you may experience a certain amount of 'culture shock'.

The people, the weather, the food, the buildings, will be new and may seem different in the beginning. It may take you a little time to get used to your new surroundings and a feeling of homesickness and/or loneliness is not unusual.

Many new students, including Australian students, are living away from their family and friends for the first time so we encourage you to become involved in resident activities and events. This can help build your network of new friends and hopefully make you begin to feel more 'at home'.

There are many different nationalities represented at UniLodge. If you are having difficulty settling in or are experiencing language barriers, please see our friendly staff. We are here to help you. For after-hours assistance, we have Residential Advisors on site who can help you with security problems, issues relating to your apartment and any other emergencies. For general questions or queries you have it is best to speak to the office during business hours.

Every building has rules. The Owners Corporation (which is made up of all the owners of the apartments) has set the rules for the building (not UniLodge). All residents must comply with these rules. You will have received a copy of these rules with your confirmation email. If you would like a further look at these rules, please see us in the office.

We hope that you enjoy your stay here at UniLodge D1. If you have any questions after reading this handbook, please do not hesitate to see reception and we will assist you in any way we can.

Social Support

At UniLodge we organise social activities throughout the year and you are encouraged to attend these activities as they provide the ideal opportunity to get to know the UniLodge team and most importantly, other residents within the building. Participating in the organised social events will assist in overcoming any loneliness you may experience and give you an opportunity to make friends and develop long lasting relationships that will enrich your experiences here at UniLodge and your time spent as residents. You need to make sure you have downloaded and accessed the UniLodge Student APP to register for our social events. Please feel free to talk with reception should you have any suggestions or queries.

Eligibility of Residents

All Residents must be students enrolled in an approved educational facility within Melbourne. Should your circumstances change, and you no longer remain a student, your stay in UniLodge may be compromised. All international students must have a valid visa. All Residents must sign a Residential Rental Agreement which is a legally binding document.

Please see the management team to discuss any changes to your eligibility.

SETTLING IN

Get to Know Your Neighbours

Here are some handy hints towards getting to know and living happily with your neighbours:

- Introduce yourself to your neighbours and have conversations with them whenever you can – don't be shy, you may have lots in common!
- Respect others' sleeping and studying habits by not creating excessive noise
- Don't leave your belongings lying around in shared areas
- Clean up after yourself
- Don't use other people's things without asking
- Have consideration and respect for others in all facets of life
- Remembering that all residents of UniLodge are students. You could assist each other with study and/or have study groups together
- Suggesting social activities that you and your neighbours could attend together within, or outside of UniLodge may be a great way to make new friends and meet more people!

Personal Problems

Please talk to us if you are experiencing any difficulties, personal issues, study problems or anything that may be getting you down. Our team is here to support you and provide guidance, assistance and referral where necessary. We have connections with University counsellors (for University students) or community provided health specialists, should you require specialist support.

Financial Problems

If you are experiencing any financial difficulties, please speak to us. Often, these difficulties can be managed by the implementation of a financial plan. In addition, Universities have their own Student Financial Services Unit usually managed by a Student Services department.

Please advise us if there will be a delay with your rent being paid on time. We understand that financial problems can occur. Communication is the key – talk to us so we can work out a plan together for ensuring you are able to meet your commitments. Hiding does not make the issue go away

COMMUNITY SPIRIT PROGRAM

Community Spirit is an integrated, contemporary, residential life program, run by UniLodge for our residents. It is designed to support and bring out the best in each resident through the activities carried out by the Management Team including the Residential Advisors.

We promote a culture of mutual respect and tolerance. We embrace and celebrate diversity. We aim to provide opportunity for cross-cultural understanding and friendship so EVERYONE feels respected, valued, looks out for one another, shares a sense of family, friendship and belonging.

It offers a balanced program of activities that supports resident life across many dimensions such as: standard of living and quality of life as a whole, mental and physical health, academic and personal achievements, personal and social relationships, safety and security and community connectivity.

What Types of Activities Underpin the Community Spirit Program?

- Socially responsible activities such as getting residents involved in raising much needed funds for a charity such as Movember, or participation in community activities.
- Barbeques and nights full of entertainment which encourages integration, fun and friendship.
- Trips to Aussie fun spots - go surfing, indoor rock-climbing, bike riding to great Australian icons.
- Educational and special interest forums, seminars and focus groups.
- Life skill sessions such as budget workshops, interview skills, and resume writing workshop.
- Games nights and movies nights.
- Sporting activities such as netball, basketball, footy, cricket – it's up to you!
- International parties and cultural activities.

Attending and signing up for events is easy. You simply download our student app via the Google Play Store or App store and register to keep up-to-date with what's going on in the building and across the UniLodge group. Some events require the purchasing of a ticket (usually at a heavily discounted rate from the original cost) and some events are absolutely FREE!

To keep up to date with Community Spirit make sure you log into our student app

YOUR SHOP

UniLodge residents don't have to worry about bringing sheets, pillows, pots or pans, and electrical appliances with them - our online shop, Your Shop is a fabulous way to ensure that everything you need is sitting ready and waiting when you arrive, and available for purchase throughout your stay with us at UniLodge.

Here's what one of our current residents had to say about Your Shop:

"I am satisfied with my product. It was very good value for money, & having everything already in my apartment when I moved in was a great relief." – Tom, UniLodge @ Resident

Offering a great variety of products, our prices are highly competitive and certainly comparable to High Street shops and supermarkets in Australia, and residents have compared the quality of our linen to that of a 5 Star Hotel!

Noise Levels

No excessive noise is permitted after 9:00pm to 7:00am. Noise disturbances can potentially lead to eviction and/or legal prosecution. Residents are here to study, please use **common sense** and **consideration**.

Balcony

If your apartment has a balcony, please ensure you DO NOT smoke in this area. Please also refrain from throwing items over the railing. Not only is this dangerous, it causes a nuisance to people below you.

Smoking

Smoking is NOT PERMITTED anywhere inside the building including balconies or common area terraces.

Alcohol

Alcohol is NOT PERMITTED in the common rooms.

Drugs / Illegal Substances

The use of, or being under the influence of, or in possession of any illegal substance in the building is strictly forbidden. This means that under NO circumstances are any illegal substances permitted within the complex. Failure to comply with this rule will result in eviction.

If you feel you are becoming addicted to drugs (or know somebody in the building who is), please talk to Management. We are here to assist in every way possible. We can put you in touch with people who can help you.

Insurance

Tenants acknowledge the landlord's insurance DOES NOT provide cover for the tenant's possessions. Your rent provides you with contents insurance to a limited value of \$3000. If you require more cover, we can assist you with taking out an additional insurance policy at your own cost.

Intruders

If you see anyone behaving suspiciously, call the Management Team or if it is after hours, the Residential Advisor duty immediately and watch the person or persons from a distance, but do not put yourself at risk.

Building Security

All Residents and visitors agree to be bound by the security regulations or as instructed by Management.

- Your apartment door is self-locking. When you enter your apartment, your door is locked as soon as it closes.
- Under no circumstances must residents loan out their building entry card or any apartment keys.
- Residents are responsible for the behaviour of their visitors and must understand that visitors are also bound by all the building rules whilst in the facility.
- Residents should NOT allow access into the building to person/s unknown

Access to Other Apartments

Entering another Resident's apartment without consent will result in the same action as a member of the general public entering anyone's home without approval. That is, offenders may be detained and charged with trespass by the appropriate authorities. To prevent trespassing and, in particular theft, all Residents should keep their doors closed regardless of whether or not they are in their apartment.

SMOKE ALARMS AND EMERGENCY PROCEDURES

Emergency Fire Procedures

- ASSIST ANY PERSON IN IMMEDIATE DANGER, ONLY IF SAFE TO DO SO
- CALL THE FIRE BRIGADE ON 000
- EXTINGUISH THE FIRE IF SAFE TO DO SO
- EVACUATE TO THE ASSEMBLY AREA – DO NOT USE LIFTS IF THERE IS A FIRE
- REMAIN AT ASSEMBLY AREA UNTIL AUTHORISED PERSONS CAN UPDATE YOU ON WHEN YOU CAN RE-ENTER THE BUILDING

Smoke Detector and Alarm

Smoke detectors and alarms are located throughout the building including inside your own apartment. Please take note of the following:

- The smoke detector in your apartment is connected to the automated fire alarm system.
- Never cover or remove your smoke detector in your apartment, as this will put everyone else in the building at risk. The Metropolitan Fire Brigade may also fine you. This is a serious breach and if you are caught tampering with the smoke detector, there are severe penalties which may result in eviction and legal action being taken against you.
- The smoke detectors in the apartments are very sensitive. If you set the alarm off in your room, and there is NO fire, you need to clear any smoke from your room by turning on your rangehood above your stove, turning on your airconditioner and opening your window or balcony door. DO NOT open your front door and allow smoke into the common area hallway. This will set off the building alarm triggering the Metropolitan Fire Brigade to attend.
- Common area alarms are connected directly to the Fire Control Panel, which relays the call to the Fire Brigade automatically when activated. If you are cooking or boiling water and the smoke or steam activates the alarm you will be liable for any costs from the fire brigade - \$3000 minimum charge.

DO NOT TOUCH OR COVER THE SMOKE DETECTORS

Note: As already stated in your Residential Tenancy Agreement, residents causing false alarms will be responsible for paying the heavy fines imposed by the Fire Brigade for call outs. False alarms include those caused by tenant negligence in the event of accidentally setting off the common area alarms.

EMERGENCY EVACUATION PROCEDURES

In the event of an emergency where UniLodge needs to be evacuated, you need to ensure you are familiar with your evacuation plan. Each floor level has a copy of this plan located near the elevator. Please **DO NOT** use the elevator in the event of an emergency. You can evacuate using the fire stairs.

Cleaning

It is expected that you will keep your apartment clean and tidy at all times in accordance with your tenancy agreement. This includes regular scrubbing of the bathroom (including the toilet) and kitchen area, as well as removal of all rubbish daily. Failure to do so can result in breach notices being served and cleaning costs passed on to you.

Roller Blinds

You will find a chain on the side of the window or sliding door. Pull the chain gently and smoothly from directly underneath to raise or lower your window blinds. These chains are sensitive and all due care should be taken to ensure the chain is not pulled off the roller.
