DRAGON DANCE

Emporium Hotel South Bank invites you to celebrate 2024's Year of the Dragon. Celebrate with friends and loved ones to ring in the start of the Lunar New Year, and to enjoy this traditional Dragon Dance performance.

In Chinese culture, the lion symbolises power, wisdom, dignity, fertility and auspiciousness. The dragon dance is one of the most important traditions and is performed to bring good luck, for the upcoming year.

To bring good fortune for the coming year, feed the performing lions with an offering in the red envelopes and place it in their mouths as they pass by.

If you're lucky, you may get to "catch the lettuce". The lettuce throw symbolizes a fresh start for the new year and the spreading of good luck.
