Massage for Tired Feet with Reflexology

Foot massage with reflexology specialized in releasing fatigue and muscle tension, includes exfoliation and wrapping with hot towels.

Back Massage

Massage focused on the muscles of the back, arms, neck and head.

MASSAGES

Lymphatic Drainage Massage

Treatment that will help you reabsorb body fluids, thus improving circulation and reducing lymph inflammation.

Swedish Massage

Classic massage with percussion that provides greater muscle flexibility and well-being for circulation.

Lomi lomi Massage

Ancient Hawaiian technique based on maneuvers with forearms and elbows, which represents the relaxing movement of sea waves.

Relaxing Massage with Reflexology

Therapy inspired by the healing techniques of the East, will make you feel totally relaxed. It focuses on the stimulation of specific points on the palms of the hands and the soles of the feet, along with the relaxing massage, it helps reduce tension caused by stress.

Deep Tissue Massage

This massage realigns the deepest layers of muscles and connective tissues, using a specialized technique personalized for your muscles. It works the muscular system at a deep level, through firm pressure that relieves tension and pain, to bring a deep state of tranquility and calm.
