UP & ABOVE BAR SIGNATURE COCKTAILS

In the heart of Bangkok, where Japanese refinement meets the vibrant spirit of a tropical metropolis, this cocktail collection was born from the essence of The Okura Prestige Bangkok.

It began with a simple idea:

What happens when ingredients from two cultures meet in the same glass?

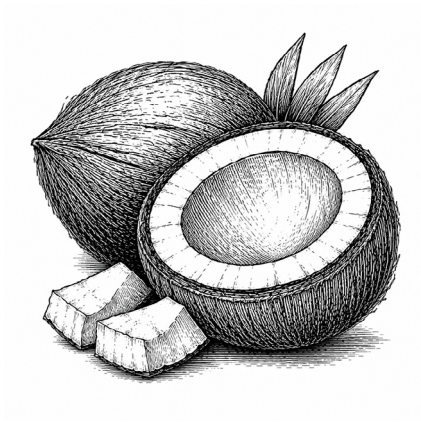

The result is more than a collection of cocktails. It is an exploration of harmony — a delicate balance between subtlety and vibrancy, tradition and innovation, restraint and expression.

Inspired by the craftsmanship of Japan and the richness of Thailand, each creation tells a story through carefully selected ingredients, thoughtful techniques, and unexpected pairings.

Some cocktails are light, elegant, and quietly complex. Others reveal deeper layers of richness, texture, and umami. A few linger with a refined bittersweet finish, inviting a moment of reflection before the next sip.

Together, they form a dialogue between two cultures, united by a shared appreciation for craftsmanship, hospitality, and the beauty of balance.

We invite you to begin this journey and discover where the flavors lead.
