Our Guest Experience

Saint Lucia Kings Welcomed at Sapphire Sands Villas

The 2026 Caribbean Premier League (CPL) has arrived in Saint Lucia, and the Saint Lucia Kings were officially welcomed to the island with a special cocktail reception hosted by the Saint Lucia Tourism Authority.

The reception was held at Kimchi & Kallaloo, the newly opened Korean BBQ restaurant at the luxurious Sapphire Sands Villas by Bay Gardens Resorts. The evening brought together the Saint Lucia Kings Management Team, players, and tourism stakeholders ahead of the team's home matches at the Daren Sammy Cricket Ground from August 12–21.

Welcoming the team was Louis Lewis, CEO of the Saint Lucia Tourism Authority, who wished the players a successful CPL season, favorable weather, and, of course, victory on home soil.

Head Coach Daren Sammy introduced the 2026 squad, highlighting both the new and returning players. This year's team features talent from across the region and beyond, including Saint Lucia, Jamaica, Barbados, Trinidad & Tobago, and South Africa.

Beyond hosting the welcome reception, Sapphire Sands Villas is also serving as the official home base for the Saint Lucia Kings throughout their stay in Saint Lucia, providing the team with a comfortable and luxurious setting as they prepare for their CPL fixtures.

Guests at the reception also had the opportunity to experience Kimchi & Kallaloo, which brings a distinctive dining concept to Saint Lucia and adds a fresh culinary experience to the island's growing hospitality scene.

With five home matches ahead, the Saint Lucia Kings are ready to take on the competition, and the island is looking forward to another exciting CPL season.

Employee Feature: Nima Flavien

Meet Nima Flavien, who has been a valued member of the Bay Gardens Resorts family for the past four years.

Nima began her journey with the resort in the restaurant, where she spent her first three months before making the transition to the Front Office as a Front Office Agent. Since then, she has been a dedicated member of the Front Office team, creating welcoming experiences for guests from the moment they arrive.

What Nima loves most about working at Bay Gardens Resorts is the strong sense of family. The relationships she has built with her colleagues and the people she meets each day are what make her work especially rewarding.

For Nima, inspiration comes from the many people she encounters through her role. Their stories, personalities and interactions bring her joy and give her something to look forward to each day.

When she is not at work, Nima enjoys reading whenever she finds the time. These days, however, her favourite way to spend her free time is with her baby, making

the most of those precious moments together.

One of Nima's fondest memories at the resort is from a quiet evening shift when she and a colleague enjoyed singing and dancing along to music playing from the restaurant while they worked. It was a simple, spontaneous moment, but one that has stayed with her.

Looking to the future, Nima hopes to grow within Bay Gardens Resorts and eventually take on a management role. With her determination and commitment, she is confident that this is a goal she can achieve.

We are delighted to have Nima as part of the Bay Gardens Resorts family and look forward to watching her continue to grow, develop and make her mark with us.

Method:

Add rum, juices, syrup, and bitters to a shaker with ice. Shake 6–8 seconds. Pour over crushed ice in a tall glass. Top with ginger ale, quick stir, and add garnish.
