INSPIRING A LIFETIME OF

Rare Experiences

PRIVATE BEACH DINNER

Woo your loved ones and indulge in a unique lifetime experience where the only limit is the imagination. Our private dining experiences are the epitome of special celebrations at Hideaway, paired perfectly with the sound of the waves crashing against the beach.

GOURMET DINING AT THE OASIS

The OASIS offers an epicurean journey of tastes of international fine-dining cuisine perfect for even the most discerning of palettes and sure to delight. Experience a place where dining out feels like eating in; a home away from home, where you'll be surrounded by great food and drink as well as great company.

CASTAWAY PICNIC

Embark on a quiet and romantic getaway to a secluded sandbank surrounded by turquoise waters. Enjoy quality time together, swim and snorkel in the crystal clear lagoon that encircles the sandbank.

Find a moment of reprieve for just the two of you with a couple's picnic and enjoy the food and privacy on this romantic getaway as you fill your hearts with memories to last a lifetime!

SANDBANK BBQ

Enjoy a BBQ lunch on your very own deserted and private sandbank. The perfect activity for couples, families and groups! Have fun frolicking in the sand and crystal clear waters of the lagoon before enjoying a grilled lunch right on the beach.

Budding fishermen can try their luck at hand line fishing, or alternatively simply enjoy the peace and quiet of the secluded sandbank.

FLOATING BREAKFAST

Begin your day in paradise on a positive note with a breakfast like no other. Relax in the comfort of your private pool and we'll deliver your breakfast served on a floating tray breakfast in a setting overlooking the panoramic ocean view.

This is the ultimate indulgence if you are a honeymooner or part of a couple celebrating the spirit of love.

SUNSET DOLPHINS SAFARI

Board our traditional Maldivian wooden dhoni boat and enjoy this cruise around Hideaway and the surrounding waters, and enjoy the sun setting over the horizon. These trips very often encounter dolphins that come and play at the bow and wake of the dhoni.

A fantastic memory at the end of a perfect day in paradise.

TURTLE SNORKELING

On the bucket list of many guests, this excursion offers a great chance to swim with turtles at a local reef..

The Hawksbill Turtle is a resident inhabitant at one of the reefs that is just 20 minutes from the resort with our dhoni boat. The reef is on the edge of an uninhabited island, and offers an amazing array of colourful Indian Ocean reef fish.

Don't miss out on once-in-a-lifetime experience.

CINEMA UNDER THE STARS

What could be more idyllic than watching movies on a warm evening under the stars on a beautiful beach? Recline under a starry Maldivian sky and make a seat on the beach, sink your toes into the sand and experience the tranquil Maldivian evening with our outdoor public cinema under the stars.

GOLF

A fun yet professional experience awaits at Hideaway Golf Centre. Come and improve your game or learn from scratch with our state-of-the-art golf simulators and get coached by our very own in-house Golf Pro; practice your short game on the putting green, enjoy a game with friends and family or even indulge in some solo practice. Whether you are a beginner or a seasoned golfer, there is something for everyone at the Hideaway Golf Centre.

STINGRAYS BALLET

Encircled by coral reefs, Hideaway is the gateway to a thriving world of marine life. Just before the sun goes down it's feeding time for some of the island's fishy guests. Enjoy the sight of stingrays and reef sharks gracefully swimming near the shore.

CRUISING

One of the ultimate ways to explore Maldives, with different options available, perfectly tailored for the adventures you choose (whether cruising as a couple, family or larger group), this adventure will be truly an unforgettable one.

SURFING

Experience the new hottest trend that eliminates the need to wait for the perfect wave. A new and exhilarating experience, E-surfing involves being propelled through the water on a motorized, electric surfboard.

RELAX AND

Recharge

JOURNEY TO THE SENSES

Spellbinding surroundings and heavenly treatments honor the harmony of mind, body and soul at Hideaway Spa. With its design influenced by the breathtaking natural beauty of the Maldives, sand, sun and sea themes echo throughout internal waterways and water walls, open areas and sandy floors.
