## RMBL

---

home to legendary naturalist and researcher

billy barr and founded in 1928, rocky mountain biological laboratory (RMBL) is gunnison county's oldest non-profit and one of the largest and oldest field stations in the world. dedicated to understanding the fundamental biological processes underpinning the environment — from water to food to disease — RMBL hosts more than 100 research teams annually. at RMBL, researchers explore ecology, evolutionary biology, hydrology, and atmospherics. RMBL also provides students of all ages immersive educational opportunities. to learn more and make a donation, visit [www.rmbl.org](http://www.rmbl.org)
