SETTLING IN

Most Students coming from overseas to live and study in a new country experience a certain amount of 'culture shock'.

The people, the weather, the food, and the buildings may be new and it may take you a little time to get used to your new surroundings,

Many new students, including Australian students, are living away from their family and friends for the first time so we encourage you to become involved in our Residential Life Events, so that you will make new friends and begin to feel more 'at home'.

There are many different nationalities represented at UniLodge. If you are having difficulty in settling in or with the language, we are here to help you. We have many students from different countries who are going through the same experience as you.

Please come and see us if only for a chat. UniLodge wants your stay to be a happy one. We want you to achieve your goals, but to also gain self-reliance, confidence, abilities and resourcefulness.

WE CARE ABOUT YOU

UniLodge strive to provide a community based support. One of the big advantages of living in a community is that there is always someone to help. Do not keep your worries to yourself - the sooner we get on to them, the sooner we can help you to resolve the problem. Confidences are kept, and you can be assured of a sympathetic ear, regardless of the size or nature of your problem.

New residents often experience difficulty adjusting to:

- The transition from school to tertiary / university life
- A different education system and different demands
- Living away from home, and fending for themselves
- Being away from the support of family and friends
- Settling into city life, a new state or a new country
- Language barriers
- Life style and culture changes, this may come as a shock, and may include:
- Finding their way around i.e. transport, clubs, churches etc
- Setting up bank accounts

UniLodge staff members are here to assist you with all these issues and more. Feel free to pop down to reception and we will be happy to give you the information you need.

Anyone affected by illness, accident or death of a relative, should talk to the Manager at the reception office. If necessary we can refer you to the appropriate counsellors for further support.

Balanced Timetable

Residents need to work out a balanced timetable for themselves, one that will allow the work to be done, but without excluding participation in extra-curricular activities. Your time at university should be one in which you are prepared to move out of some of your routine patterns of experience, to discover new interests and talents - academic, religious, sporting, cultural or social. But do not spend too much time on any one activity, to the exclusion of others - and remember that study should be your first priority, and not left for the last week before examinations.

RESIDENTIAL LIFE PROGRAM

What is Residential Life Program?

Residential Life is an integrated, contemporary, student life program, run by UniLodge for our residents. It is designed to support and bring out the best in each resident through the duties and activities carried out by senior residents, Residential Advisors, and the General Manager.

UniLodge's Multi-cultural Vision

We promote a cultural of mutual respect, tolerance and celebration of diversity. We aim to provide opportunity for the building of cross-cultural understanding and friendship. So, everyone: Feels respected, looks out for everyone else, belongs and shares a sense of family, friendship and belonging, Interacts with, learns from, and values - all peoples.

What does the Program Aim to Achieve?

It offers a balanced program of activities that supports resident life across many dimensions such as: standard of living and quality of life as a whole, mental and physical health, academic and personal achievements, personal and social relationships, safety and security and community connectivity.

What Types of Activities Underpin the Residential Life Program?

Socially responsible activities such as getting residents involved in raising much needed funds for a charity, or participation in community activities like the "Clean up Australia" campaign. Barbeques and nights full of entertainment that encourages integration, fun and friendship. Trips to Aussie fun spots - go surfing, indoor rock-climbing, bike riding to great Australian icons. Educational and special interest forums, seminars and focus groups. Games nights and movies nights. Sporting activities such as netball, basketball, footy, cricket – it's up to you! International parties and cultural activities.

Attending Events

Attending and signing up for events is easy! You can register for events through QR Codes on the notice boards throughout the building, posted on our Facebook at the beginning of months and as well as Residential Life calendar in the common area, so you can see what events are coming up and choose the ones you wish to attend – so simple! Our customer service staffs at reception are able to assist you or answer any questions you may have. If you register for an event and fail to attend we will have to charge you the per person cost of the event.

COMPLAINTS

Life in a community can sometimes throw up challenges that are difficult to manage on your own. You might have a problem with a fellow resident or a staff member, or a decision that has been made by UniLodge Management. If you do come across some difficulty in your life at UniLodge, don't hesitate to raise it with the General Manager. In most cases, problems can be resolved through informal enquiries and discussions.

Here are the steps to follow if you need help to resolve a problem:

Step1. Talk politely and openly to the person involved

Step2. Inform the person that you will take the matter to your Residential Advisor or Customer Service Manager.

Step3. Inform the Residential Advisor or Customer Service Manager that you will take the matter to the General Manager of UniLodge

Step4. Inform the General Manager that you will take the matter to Tribunal

Principles of Student Complaint/Dispute Resolution

Before initiating the formal resolution procedures, students should try to resolve the complaint directly with the person/s concerned wherever possible. Students are strongly encouraged to seek advice about how to resolve their complaint. The Customer Service Manager can mediate between the parties involved where appropriate.

Wherever possible, such concerns should be resolved by a process of discussion, cooperation and conciliation as soon as possible after an incident or situation has occurred.

The aim is to reach an acceptable outcome that minimises any potential detriment to ongoing work or study relationships.

Since the aim of this process is to resolve problems, which will often involve negotiation, conciliation or mediation, it is not possible to use the complaint resolution process for anonymous complaints.

Both the complainant and the respondent will receive appropriate information, support and assistance in resolving the complaint.

Financial Problems

If you are experiencing any financial difficulties, please speak to the Manager at the Reception Office. Often these difficulties can be managed with a financial plan. In addition, Universities have their own Student Financial Service Unit usually managed by a Students Services department.

PASTORAL CARE

UniLodge is proud to offer a pastoral care network. When you join our community you will find there is always something to do and someone to talk to.

Our Residential Advisors might come and knock on your door with a bag of lollies or stop you in the hallway to find out about your weekend. They are always available for a chat and to offer advice and sometimes referrals to other services.

Connecting you to services, people and places is just one of the important roles to play here at UniLodge. So whether you want to connect with other residents, the local community or just want to know the best places to 'hang out' we can help you.

We want to assist you wherever possible to fit into your home away from home as quickly, safely and securely as possible so you can get on with the job of studying and enjoying your time here.

At UniLodge we strive to provide community based support. One of the big advantages of living in a community is that there is always someone there. Fire Sprinklers & Detectors

Your Apartment is fitted with smoke detectors and sprinklers

- The smoke detectors and fire sprinklers are connected to a fully automatic fire alarm.
- Any interference with any smoke detector or fire sprinkler is a serious breach and will incur severe fines and will put everyone else in the building at risk.
- Any interference or alteration of any fire exit or fire door is also a serious breach and will incur severe fines.
- Do not leave your apartment door open when cooking or boiling water, as the steam may activate the alarm, automatically calling the Fire Brigade. You will be liable for any costs incurred for the attendance of the Fire Brigade should the cause be identified to have been your fault.

DO NOT TOUCH THE SMOKE DETECTORS OR FIRE SPRINKLERS. DO NOT HANG ANY ITEM ON ANY SPRINKLER DEVICE

Touching the fire sprinkler may cause the sprinkler to activate sending hundreds of litres of water into the area, which will flood your apartment and those below. Severe damage costs will be imposed on any person who damages a fire sprinkler.

Smoke Alarms and Fire Callouts

Your apartment is fitted with a Smoke Alarm Silence Button.

Every time there is a call out the tenant must pay the MFS Invoiced fee (**approx \$1200***)

It is important that you understand how the fire alarm works.

*Price is subject to change as per annual increases.

Your apartment is fitted with a Smoke Alarm Silence Button

- If you accidentally set off the Fire Alarm in your apartment you have **30 SECONDS** to activate the silence button
- Hold down the Red Silence Button until ALARM STOPS
- Fan smoke detector with a book or paper to get rid of smoke
- Open all windows
- **DO NOT open your apartment door**
- Repeat the process until smoke is cleared and the alarm is silenced
- Dial 9 to advise reception

DO NOT THINK THAT THE SILENCE BUTTON WILL STOP THE FIRE DEPARTMENT ATTENDING ONCE THE APARTMENT IS FILLED WITH SMOKE.

PREVENTION is the best way not to have a false alarm!

When cooking a meal in your apartment please do the following:

- Pull out the exhaust fan above the stove top and have it set to high
- Open windows
- Put your air conditioner onto FAN so that it can circulate air through the apartment.
- If smoke starts to build up immediately stop cooking and clear the smoke before commencing cooking.

THE SMOKE ALARM WILL CONTINUE TO ACTIVATE IF THERE IS TOO MUCH SMOKE IN THE APARTMENT AND IT WILL BE TOO LATE TO STOP THE FIRE DEPARTMENT FROM ATTENDING. CALLOUT FEES APPLY.

Please also remember that it is an offence to cover smoke alarms or tamper with the sprinklers. You may be fined up to \$15,000 for doing this.

If you need help with the Smoke Alarm Silence Button or if you are unsure please contact Reception. Residential Advisers can hold Training Sessions for Smoke Alarms; please let us know if you would like to attend.

Overseas Student Health Cover

International Students on a study visa must have Overseas Student Health Cover (OSHC). Your OSHC paid is usually for a six or twelve month period. On arriving in Australia you will need to confirm your OSHC with the Insurance Company and complete an Application for OSHC. Residents will be required to present their Confirmation of Enrolment form as proof of their status.

If you allow your membership to lapse, the company may notify the Department of Immigration, which could result in your student visa being cancelled.

You must renew your cover each time you re-enrol to study or every 12 months. To do this you will need your membership card, passport and a letter from your college, university etc confirming your re-enrolment.

Under OSHC you are covered for accommodation and/or treatment in Public Hospitals. This applies whether you need to stay in hospital or are a patient at the hospital's outpatient clinic or in the emergency/casualty department.

Your OSHC does not cover ambulance, dental, pharmaceutical, glasses and/or contact lenses. If you or your parents want you to be covered for these items, you will be required to pay extra for this type of insurance cover.

Ambulance service in Australia is very expensive and ambulance cover is recommended.

OPERATING AND CARING FOR YOUR UNIT

Aluminum and Stainless Steel Surfaces

Your apartment's kitchen sink is made of stainless steel and your apartment's window and door frames are made of aluminum. These are soft metals which will mark and scratch easily.

Care and maintenance: A kitchen sponge/cloth and dishwashing liquid should clean these surfaces adequately or alternately use a specialist kitchen/bathroom spray cleaner. DO NOT use scouring pads or abrasive powder based cleaners on any metal surface.

Carpet

Your apartment's bedroom and living room floor is fitted with carpet. Avoid spilling food and drinks on the carpet as permanent stains can occur.

Care and maintenance: Regularly vacuum all carpeted areas with a vacuum cleaner available at reception. Should you mark or stain the carpet, advise reception so we can assist with the correct cleaning remedy. You may need to have the carpet professionally cleaned.

Cleaning & Inspection

You are responsible for the day to day cleaning of your apartment. UniLodge apartments will also be inspected from 2-3 times per year, or as required and permissible by the law. You will be given notice for routine inspections and are expected to ensure that the apartment is clean on the day of inspection. For extra help with cleaning please contact Reception for details of our cleaners.

Kitchen Cabinets & Bench Tops

Your apartment's kitchen is made from laminated timber cupboards and bench tops. Chopping directly on the bench top or placing hot objects on the laminate will cause permanent damage. ALWAYS use a chopping board when cutting up food and DO NOT place hot objects on the bench top – it may burn and you will be held responsible.

Care and maintenance: Clean grime and spillages on the bench top and cupboards regularly to avoid staining and buildup of grime. Clean with a damp cloth and dishwashing liquid. You may prefer to use Spray & Wipe type products to clean your kitchen tops and cupboards.

LCD Television

Your apartment is equipped with LCD television. The remote control is located in the top kitchen draw. The remote control may require two new AAA batteries if operation fails.

Care and maintenance: Gently dust your television with a feather duster or dry soft cloth.

Maintenance

It is your responsibility to look after your property. If you notice any problems please let us know as soon as possible. If you have broken or damaged something you will need to pay for the repair.

Fill out a maintenance form via the QR Code around the building as soon as you become aware of the problem.

Microwave Oven

Your apartment is equipped with a microwave located in the kitchen.

Care and maintenance: Regularly wipe over the outside and inside of your microwave with a damp cloth and dishwashing detergent.

Mirrors and Glass

Your bathroom is fitted with either a wall mirror or mirrored vanity cupboard. The mirror glass is fragile and can break or shatter if not treated with care.

Your apartment windows are made of glass. Do not store or place items in contact with the glass as this may damage the glass or create a heat trap causing the window to break. Avoid extreme temperature changes such as splashing hot water on cold glass or cold water on hot glass as this may lead to thermal fracture of the glass.

Care and maintenance: Clean mirrors and windows with either glass cleaner such as Windex or a damp lint-free cloth. DO NOT use scouring pads or abrasive cleaners.

Refrigerator

Your apartment is equipped with an electric refrigerator. On arrival check that the fridge is plugged in and switched on; you may need to adjust the cooling setting within the refrigerator. To be effective the refrigerator should be constantly left on.

Care and maintenance: Regularly wipe over the outside and inside of your refrigerator with a damp cloth and dishwashing detergent.

Smoke Detector

Your apartment has been installed with a smoke alarm. Generally, they are located on the ceiling in the living room/bedroom areas.

Care and maintenance: Not Required. Don Not touch smoke detector or sprinkler.

Fines will apply.

Tiled Surfaces

Your apartment's bathroom and balcony/terrace (if applicable) is tiled. DO NOT place potted plants directly onto tiled balconies as staining will occur.

Care and maintenance: Clean tiled surfaces regularly as grime build-up is more difficult to remove the longer it is left. Mould will grow on grout especially in the bathroom if the tiles are not cleaned and the bathroom aired. Clean tiles with specially designed tile cleaning products available from supermarkets.

Vacuum Cleaner

You can borrow a vacuum cleaner from Reception during office hours. Vacuum hire fee of \$2.50 will apply for every 30mins of hire.

Vinyl Flooring

Your apartments kitchen area is fitted with a timber look vinyl floor. While durable be careful not to scratch or mark flooring with sharp or hot objects.

Care and maintenance: Clean grime and spillages on the floor immediately to avoid staining and permanent damage. Clean with a damp cloth and cleaning liquid.

Walls

The walls in your apartment have a painted finish which can be damaged if you do not take care. Be careful of what you do in your apartment as the walls can become damaged & marked. If you need to stick items on the wall please use only special hooks from supermarkets or hardware stores, which are designed not to damage the walls when removed. They are called 3M Brand adhesive/removable hooks. DO NOT use sticky tape or blue tack.

Care and maintenance: Marks on walls can be removed by a gentle wipe with a damp clean cloth and mild cleaning liquid.

Window Roller Blinds

Your apartment has been fitted with white roller window blinds. To raise and lower the blind gently pull the silver chain cord. Do not continue to pull the cord when the blind is fully up or down as damage may be caused.

Care and maintenance: Gently dust blinds with a feather duster or a clean damp cloth and water.
