DAY 1

Arrival & Immersion into Leadership

Welcome Reception:

Greeted with a signature Mountain View Grand mocktail and snacks, followed by a brief overview of the retreat itinerary.

Executive Roundtable (90 mins):

Topic: "Visionary Leadership in a Changing World"

Led by an executive coach or guest speaker, this session encourages group discussion on leadership challenges, personal growth, and team dynamics. Think of it as an opening session to get participants aligned with the retreat's purpose.

Dinner:

Elegant 3-course dinner featuring locally sourced ingredients.

Evening Fireside Chat (Optional):

Relax by an outdoor fire pit and enjoy after-dinner nightcap.

DAY 2

Team Dynamics & Nature Connection

Sunrise Yoga or Meditation (Optional):

Start the day with a guided session to promote mindfulness and set an intentional tone for the day.

Executive Workshop:

“Building a High-Performance Team” (2 hours): A focused session led by an expert consultant, exploring team dynamics, trust-building, conflict resolution, and effective communication.

Adventure Break: Guided Hike or Mountain Biking (3 hours):

Engage in a scenic, guided hike or mountain bike ride with a naturalist. The goal is not only to enjoy the stunning views but to have participants connect with nature while discussing personal goals and leadership strategies. The physical challenge also helps to promote team bonding.

Lunch in the Wilderness:

A picnic-style lunch during the hike, served in a secluded, scenic spot. This provides the perfect opportunity for informal conversations about leadership, teamwork, and inspiration.

Team Building Activity Option 1:

“Building the Summit” (2 hours): Teams will work together to build a “summit” with natural materials (like logs, rocks, etc.) in a creative and collaborative way. It’s both a literal and metaphorical representation of teamwork, as everyone must contribute their skills to create a solid and beautiful outcome.

Team Building Activity Option 2:

“Mountain Quest” (2 hours): A collaborative outdoor scavenger hunt, where teams follow clues around the resort, solving leadership-themed puzzles and completing tasks that require both strategy and teamwork. Incorporate elements of the resort’s natural environment to make the hunt more engaging.

Evening Wine Tasting & Dinner:

A private wine tasting with a sommelier followed by dinner at the resort’s fine-dining restaurant. Each wine will be paired with a course and you can include a quick team-building activity, such as a “wine challenge,” to foster a sense of friendly competition and collaboration.

DAY 3

Leadership Integration & Departure

Morning Leadership Reflection (90 mins):

A group session to reflect on lessons learned throughout the retreat. Participants can share key takeaways and discuss how they plan to integrate these insights into their professional lives. It will include a guided leadership assessment and action planning session for ongoing development.

Closing Activity: “The Summit Speech” (1 hour):

A closing moment where each participant shares a personal commitment to leadership or a key takeaway from the retreat. They will also receive a personalized certificate marking their participation in the Summit Leadership Experience.

Farewell Brunch:

A light and delicious brunch featuring local favorites, closing out the retreat with one final moment to connect and celebrate the shared experience.
