Our Highlights

Easter full of curiosity, movement and joy

EASTER HIGHLIGHTS AT A GLANCE

During the Easter period, our young guests can look forward to a thoughtfully designed Easter week programme filled with creativity, activity and the joy of discovery. The programme is tailored for children aged 3 to 12 and divided into two age-appropriate groups.

Under the motto Experience, discover and enjoy Easter, we combine nature experiences, creative workshops, culinary activities and exciting experiments, all guided by qualified carers in a cheerful Easter atmosphere.

- Easter holidays with a daily children's and family programme
- Creative Easter activities in Falky Land
- Spring-inspired cuisine and Easter buffets
- Relaxing spa moments for young and old
- Nature and mountain experiences in the Montafon region

A young girl with brown hair, wearing a pink jacket over a green shirt, is smiling. An adult's hands are visible, placing a headband with large, upright pink bunny ears on her head. The background is blurred, showing other people in a social setting.

Small Adventures in Nature

Being outdoors. Wondering. Learning.

EASTER RANGER ACTIVITIES

During our Easter Ranger adventures, children explore nature in a playful way:

- Easter bunny trail hunt following the bunny's tracks in nature
- Big Easter rally with puzzles, clues and team challenges
- Spring nature detectives discovering plants, flowers and early signs of spring
- Creating natural Easter eggs using materials from nature
- Little gardeners on the go planting seeds and welcoming spring

Moments of Enjoyment for Young Chefs

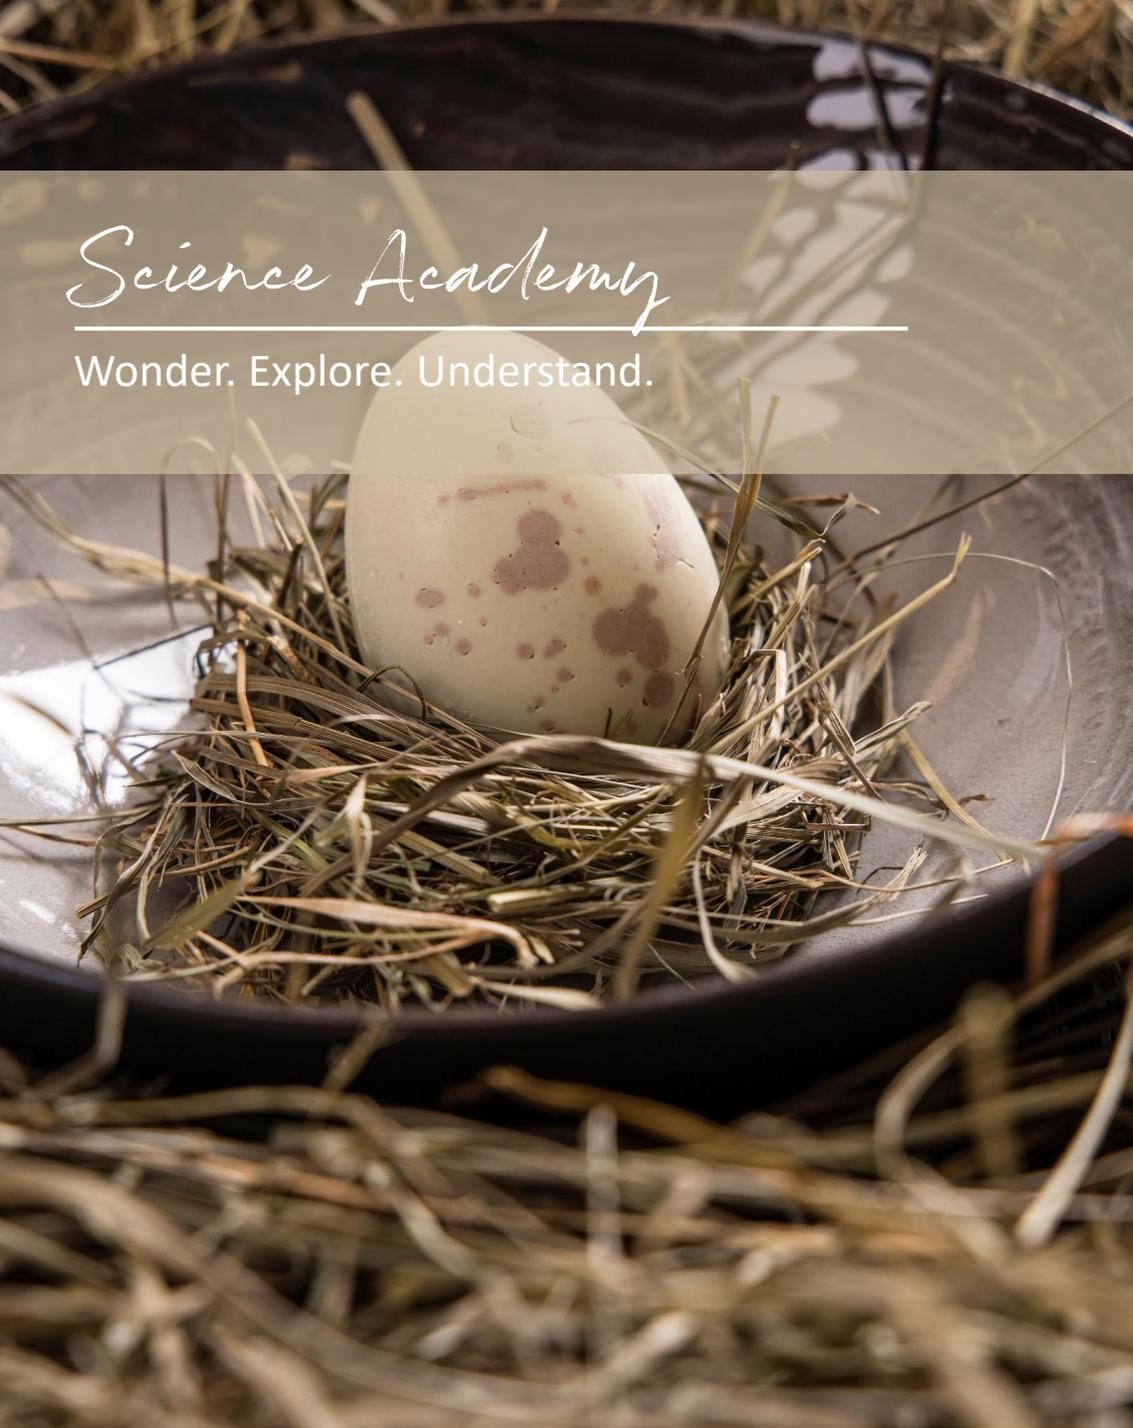

Cooking, laughing and enjoying together

MASTERCHEF ACADEMY – EASTER EDITION

At the MasterChef Academy, children immerse themselves in spring-inspired Easter cuisine:

- 🕒 Baking Easter bunny biscuits, shaping and decorating creatively
- 🕒 Decorating Easter cupcakes with colourful icing and cheerful designs
- 🕒 Preparing healthy Easter snacks using spring vegetables
- 🕒 Colourful spring smoothies, fresh, healthy and homemade
- 🕒 Traditional Easter baking, baking and tasting together

Creativity, enjoyment and playful learning take centre stage.

Science Academy

Wonder. Explore. Understand.

SCIENCE ACADEMY

At our Science Academy, Easter becomes an exciting research experience with five child-friendly experiments:

- The mysterious egg experiment
- The colour laboratory for Easter eggs
- Flying Easter feathers
- The growing miracle of spring
- Soap bubbles in the spring light

Science is presented in an accessible, entertaining and age-appropriate way.

Sweet Search for the Whole Family

Searching together. Celebrating together.

LARGE CHOCOLATE EASTER EGG HUNT FOR THE WHOLE FAMILY

Easter Sunday at lunchtime

A special highlight for young and old is our large chocolate Easter egg hunt on Easter Sunday at lunchtime. Together with the Easter Bunny, children and parents set off in search of sweet surprises.

Look forward to:

- A family-friendly Easter egg hunt
- Personal encounters with the Easter Bunny
- Small prizes and sweet rewards for all participants

A joyful Easter experience for the whole family.

Ein Abend voller Osterfreude
