## History of Yamazato

Yamazato's history spans more than a half century, beginning with the opening of its first location at Hotel Okura Tokyo in 1962. Over the years, Yamazato has become highly regarded for its authentic Japanese cuisine tailored to international guests. Yamazato also boasts a long history of catering major international events, including APEC JAPAN 2010 and Shanghai World Expo's Japan Pavilion.

Five Yamazato restaurants currently operate in Japan, and another five overseas. The first Yamazato restaurant outside Japan opened at Hotel Okura Amsterdam in 1971. For nearly half a century, this has been a widely-loved venue that has brought together Japanese and European culture. In 2002, the restaurant proudly became the first Japanese restaurant in Europe to earn a Michelin star.

Following Amsterdam, additional Yamazato venues have since opened in Shanghai, Macau, Bangkok and Taipei. To continue bringing Japanese hospitality and cuisine overseas, Yamazato plans to unveil more restaurants in new Okura brand properties opening outside Japan.
