To increase its range of services and meet all MICE needs of its guests, the hotel has recently opened a **modern Conference Centre**. (May 2013).
5 flexible meeting rooms with capacity from 4 to 35 setas, can globally accommodate **up to 130 people**.

All meeting rooms, named after some of the most renown streets in the world's greatest cities (**Montenapoleone, Condotti, Rodeo Drive, Champs-Élysées and Fifth Avenue**) are equipped with the latest sophisticated audio-video equipment, completely soundproofed and with personalised lighting designed according
to the type of event

The conference centre also has its **own spacious foyer** suitable for coffee breaks and for welcoming guests, and is directly accessed from the lobby of the hotel.
