RESTORED SPLENDOUR, MODERN COMFORT

Built in 1878, The Milner York is a magnificent Victorian building that has recently been restored to its original splendour. Award-winning interior architects Goddard Littlefair have refurbished and restored the hotel's rooms and public spaces to create 155 elegant comfortable bedrooms and suites in balanced, neutral tones that offer more than just somewhere to sleep. Meanwhile, thanks to a few inspired adjustments to the ground floor, guests can enjoy the Garden Room with views that sweep across the manicured lawns to views of the Minster beyond. The renovation also includes upgrades to the event centre and meeting rooms, and the creation of a new destination restaurant and bar.
