Hotel Jackson Named Four-Star Hotel in Forbes Travel Guide's 2022 Star Awards

ATLANTA — (April 26, 2022) — Forbes Travel Guide (“FTG”), the only global rating system for luxury hotels, restaurants, and spas, today announced its 2022 Star Awards. Hotel Jackson earned a new Forbes Travel Guide Four Star award and is showcased with other honorees on [ForbesTravelGuide.com](https://www.forbes.com/travelguide).

Just one block from Jackson’s iconic Town Square, Hotel Jackson is a luxury, LEED-built, boutique hotel in downtown Jackson Hole, Wyoming. Family founded, designed, and operated, Hotel Jackson is steeped in local heritage and authenticity.

Hotel Jackson has 55 rooms, four of which are suites. Warm wood, patinated metal, and leather invoke a sense of place and pay homage to our Western heritage. A two-story, wood-burning fireplace is warming in the literal sense. Textiles include traditional and contemporary Native American inspired carpets (designed by our founder), and much of the artwork is by artists represented in local galleries.

“We are honored to have earned our 6th Forbes Four Star rating,” said Sadek Darwiche, General Manager. “Our team continually strives to elevate personalized service with authentic, western hospitality.”

Forbes Travel Guide is the world-renowned authority in genuine Five-Star service, and Hotel Jackson is the latest addition to its illustrious annual Star Rating list.

“Travel has come back strongly, and the resilient hospitality industry is creatively rallying to accommodate the increased occupancy demand for most regions,” says Hermann Elger, CEO of Forbes Travel Guide. “While the industry faces some lingering issues, the 2022 award winners proved ready for those challenges and more, demonstrating the best that luxury hospitality has to offer.”
