Drawing on his personal memories of places, flavors and textures, Chef finds inspiration from life journey's kaleidoscope - from his autumn joie de vivre he found surrounding Paris elements, to the culinary heritage of his hometown in Peking. Specially crafted glassware inspired by chic jewellery boxes reveals a petite symphony of sweet and savory delights.

### The Sweets Box

Artfully crafted, each dessert is curated to tease and intrigue the senses with simplicity of presentation and complexity of taste. The box of delights presents Éclair with six different flavors including raspberry, coffee, lemon, dark chocolate, tiramisu and vanilla orange. Other delicacies include cheese dip with passion fruit mousse, and raspberry macaron, presented like hand-decorated ornament full of French style.
